Notice: This report is provided by the Muncie Policy Memo as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

1. Pre-Meeting Hearings & Committee Work Sessions

Omitted (None present in the transcript).

---

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The meeting of the Board of San Terry Commissioners was called to order on October 14th, 2026, opening with the Pledge of Allegiance.
- **Attendance:**
  - **Present:** Commissioners Selving, Overton, and Smith (along with the presiding officer and District Administrator Rick Conrad).
  - **Absent:** Mr. Clark (excused absence to attend an award ceremony for his daughter).
  - **Presiding Officer:** Not explicitly named by title, but leading the proceedings.

---

3. Preliminary & Procedural Business

- **Ceremonial Openings:** Recitation of the Pledge of Allegiance. An excused absence was noted for Mr. Clark.
- **Approval of Minutes:** 00:00:53 The board considered and approved the board minutes from September 30th, 2026, by voice vote.

---

4. Substantive Business & Board Action

- 00:01:12 **Register of Claims**
  - **Sponsor / Presenter:** Presented for board review.
  - **Deliberation Summary:** Totaled $2,208,175.22, of which $1,057,158.62 is allocated for bond projects under the long-term control plan, and $1,151,176 is designated for regular expenditures.
  - **Item-Specific Public Input:** None.
  - **Action & Vote Disposition:** Approved by Voice Vote.
- 00:06:41 **Amendment Number 3 for CSO 7 to the Guaranteed Savings Contract**
  - **Sponsor / Presenter:** District Administrator Rick Conrad.
  - **Deliberation Summary:** Covers work on the CSO 7 separation project (designed by American Structurepoint), located east and slightly south of Ball State University between Ball State and the White River. The contract is for $21.8 million, split roughly between sanitary and stormwater improvements. Funding is already accounted for in existing utility rates via Baker Tilly bonding numbers and will not increase rates. Board members added color commentary noting the project includes stormwater improvements on Riverside (meaning Riverside will be repaved), ADA upgrades, and significant infrastructure enhancements north of Riverside and south of Bethel.
  - **Item-Specific Public Input:** None.
  - **Action & Vote Disposition:** Approved by Voice Vote.

---

5. Open Public Comment / Citizen Forum

- 00:00:37 **General Public Comment:** The presiding officer opened the floor to public comment. Seeing no members of the public approach the podium, the comment period was closed.

---

6. Administrative Updates & Adjournment

- **Staff / Board Announcements (**00:02:01**):**
  - **District Administrator Update (Rick Conrad):**
    - *Wilson Road Leaf Composting Property:* A request for bids was published for installing a chain-link fence.
    - *Sanitation Department:* Collecting totals from businesses exceeding their two allotted bins; businesses with more than two should be renting additional bins.
    - *Bureau of Water Quality:* Awarded a $50,000 grant from the Ball Brothers Foundation to continue the mussel propagation program.
    - *Leaf Season:* Approaches in early November. Reminded residents that leaves in plastic bags will not be collected; all leaves must be placed in paper bags.

        - *Truck or Treat:* Sanitation department hosting an event on Tuesday, October 20th, from 3:00 PM to 5:00 PM (timed to align with Muncie Community Schools' half-day).
        - *Traffic Updates:* Bethel closure between Wheeling and New York continues for a couple more weeks with a posted detour (P2K remains accessible from Wheeling from the west). Walnut Street near 17th Street closed during daytime business hours starting today for sewer repairs, but will reopen after work hours.
    - **Board Acknowledgments (**00:10:01**):** The board commended Chuck and his team for their work on modernizing the wastewater chemistry lab and updating equipment.
- **Adjournment:** 00:11:03 Approved by Voice Vote and officially adjourned.
