This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

Municipal Meeting Summary Report

Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The meeting of the Delaware County Drainage Board was called to order for its regular February session.
- **Attendance:**
 - **Present:** Mr. Whitehead, Mr. Hamilton, Mr. Christie, Mr. Buckle (and other board members responding during roll calls).
 - **Staff Present:** Tom Borchers (County Surveyor), Legal Counsel.

Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the Pledge of Allegiance led by the presiding officer.
- **Approval of Minutes:** **00:00:38** The board reviewed the minutes from the January 14th meeting. Following corrections noting that the approval should reflect December 10, 2025, and adjusting the document title format per Scrubal's request, a motion was made and properly seconded. The minutes were **Approved by Voice Vote** (roll call vote recorded with affirmative votes).

Substantive Business & Board Action

- **00:02:22 Item 1: Removal from Table and Approval of Task Order for Hog Creek Reconstruction**
 - **Sponsor / Presenter:** Tom Borchers (Surveyor) / Angie Moyer (Lockmillers Group)
 - **Deliberation Summary:** The board discussed taking the Hog Creek Reconstruction task order off the table from the previous week. Angie Moyer, Erin Winger, and Anthony Goodnight from Lockmillers Group presented the hourly task order (not to exceed \$49,200). The scope includes a kickoff meeting, site visit, existing data review, watershed delineation, hydraulic modeling, two alternatives with preliminary estimates, utility conflict identification, drainage reconstruction report, environmental impact summary, permitting requirements, and a topographical survey. The board inquired about construction roles, project duration (estimated draft in 45 days), and items excluded from the scope.
 - **Action & Vote Disposition:**
 - Motion to remove from table: **Passed Unanimously** via roll call.
 - Motion to approve the task order: **Passed Unanimously** via roll call.
- **00:13:18 Item 2: Opening of Quotes for Debrushing and Mowing Projects**
 - **Sponsor / Presenter:** Tom Borchers (Surveyor)
 - **Deliberation Summary:** The surveyor presented 14 debrushing and mowing project locations across the county. The board opened and read aloud quotes submitted by various contractors (including Butler Masonry, Coup's Lawn and Landscape, JJC Excavating, Schneider Excavating, Full and Camp Excavating, and Brian Jackson) across multiple project sites (No Name Creek, Hyatt, Shramm, Isaac Linux, Dora Wilhelm, Donovan, Fimple, Campbell Creek, Reese, Ham Miller, McLean, Morrison, and Ferguson). Discussion included verifying project access deadlines (some requiring completion before crop fields are planted) and ensuring vegetation warning signs were addressed.
 - **Action & Vote Disposition:** **00:45:14** Motion made and seconded to accept the lowest responsible and responsive bidders pending legal review for compliance across all jobs. **Approved by Voice Vote** (with roll call confirmation).
- **00:46:25 Item 3: Budget Fund Transfer Request for Board Attorney**
 - **Sponsor / Presenter:** Legal Counsel (Mr. Miller)
 - **Deliberation Summary:** Legal counsel requested that the budgeted salary for the drainage board attorney be transferred from the 100 series (payroll) to the 300 series (contractual services) to save the county money on payroll taxes.
 - **Action & Vote Disposition:** **00:47:26** Motion made and properly seconded to approve the request and submit a transfer request to the county council. **Passed Unanimously** via roll call vote.
- **00:51:57 Item 4: Claim Approval for Racer Ditch**
 - **Sponsor / Presenter:** Tom Borchers (Surveyor)

- **Deliberation Summary:** The surveyor reported that Jiren Crabtree (JJC Excavating) successfully completed the Racer ditch project, noting positive feedback from local farmers regarding the clean-up and right-of-way conditions.
 - **Action & Vote Disposition:** Favorable recommendation given to pay the claim for the Racer ditch. (*Handled under maintenance claims*).
 - **00:54:55 Item 5: Approval of Maintenance Claims**
 - **Sponsor / Presenter:** Board Member / Tom Borchers
 - **Deliberation Summary:** Reviewed maintenance claims with one requested correction: updating the watershed name on DEG work order 7412 invoices from "No Name Creek" to "Abe McConnell" to accurately reflect where work was performed.
 - **Action & Vote Disposition:** Motion made and properly seconded. **Approved by Voice Vote** via roll call.
-

Open Public Comment / Citizen Forum

- **00:09:34 Steven Brand** (Delaware County Commissioner and Storm Water Board President): Addressed the board to propose holding a joint meeting between the Storm Water Board and the Drainage Board to discuss jurisdiction, overlapping priorities, and effective use of taxpayer dollars. Legal counsel confirmed this can be arranged by aligning notices for March 11th.
 - **00:43:07 Jiren Crabtree** (JJC Excavating contractor, 8800 South County Road 300 West): Spoke regarding the debrushing project quotes and confirmed his company's ability to complete all assigned ditches within the specified timeframes.
-

Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - **Joint Meeting:** A joint meeting between the Drainage Board and Storm Water Board is scheduled for March 11th.
 - **Abe McConnell Ditch:** Joe Miller with Banning Engineering provided an update on existing conditions and draft alternatives, noting plans to review details with staff and present a full report at the next meeting.
 - **Vacated Ditch (700 West / Dennis Nixon and David How):** The surveyor noted plans to obtain pipe and contractor quotes by the next meeting to replace approximately 1,600 feet of broken tile.
 - **Training & Infrastructure:** Purdue University is offering a 3-year on-site drainage training course (deadline March 15th). Additionally, INDOT is modifying intersections, including State Road 35 and 300 South, which the surveyor is monitoring for drainage impacts on the Elwood Reese regulated drain.

- **Adjournment:** 00:55:43 Having no further business, a motion to adjourn was made and **Approved by Voice Vote.**
