- **Attendance:**
 - **Present:** Mr. Keysling, Commissioner Henry, Commissioner Bran, Mr. Wiggley, and Miss Green (Presiding Officer).
 - **Absent:** None.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the Pledge of Allegiance [00:00:34](#).

- **Approval of Minutes:** 00:01:21 The minutes of the May 8, 2025 meeting were presented. A correction was noted to remove a \$13,725 payment claim to Pilot out of infrastructure funds because the payment had already been made the previous year.
 - **Action & Vote Disposition:** Passed Unanimously by Roll Call Vote (5-0) 00:02:14.
-

4. Substantive Business & Board Action

Tabled Business Updates & Actions

- **00:02:30 Recovery Solutions LLC (Item 4A):**
 - **Discussion:** Removed from the table. The board discussed utilizing restricted opioid settlement funds from Delaware County and small towns (via Creed) rather than Tax Increment Financing (TIF) funds for this proposal.
 - **Action & Vote Disposition:** Approved by Roll Call Vote (5-0) to withdraw the economic development agreement request 00:03:52.
- **00:04:05 Yorktown Drainage Project (Item 4B):**
 - **Discussion:** Briefly discussed; noted that Yorktown had not yet held its June meeting. No immediate action taken.
- **00:04:25 First Harrison Bank Audit Letter (Item 4C):**
 - **Discussion:** Removed from the table. With the Economic Development Alliance hiring staff, it was recommended to withdraw the item and handle it internally.
 - **Action & Vote Disposition:** Approved by Roll Call Vote (5-0) to withdraw 00:04:55.
- **00:05:11 Bid Approval for Park One Second Entrance (Item 4D):**
 - **Discussion:** Removed from the table. All bids came in above estimate, and value engineering meetings with American Structure Point and 3D yielded no significant savings. Options included delayed payments or financing from 3D, or rebidding in six months. It was noted that a 2022 bond contains roughly \$1.4M to \$1.6M intended for this entrance, though tracking down exact TIF encumbrances and a \$1.5M SRM rail spur payment down-payment was ongoing.
 - **Action & Vote Disposition:** Placed back on the table for further review by the next meeting after confirming bids and funding schedules remain stable 00:13:48.
- **00:14:14 Delaware County Highway Department - Gravel Roads Paving (Item 4E):**
 - **Discussion:** Removed from the table. The county has 5 miles of remaining gravel roads to pave, which will reduce annual grading costs of \$20,000 per road. Roads adjacent to TIF districts (such as County Road 500 North, McCreary Road, County Road 170 South, 300 South, 1150 North, and 850 North) were reviewed. While some TIFs currently have zero balances or require coordination with Daleville, it was argued that these connecting roads benefit countywide commerce and can be funded across higher-balanced TIFs.

- **Action & Vote Disposition:** Approved by Roll Call Vote (5-0) to move forward with the paving project (\$250,630 estimate), with TIF sources to be determined [00:20:32](#).
- [00:20:55](#) **Regional Economic Development Alliance (REDA) Dues (Item 4F):**
 - **Discussion:** Invoices have not been issued yet.
 - **Action & Vote Disposition:** Kept on the table until the July meeting.

 - **Deliberation Summary:** Informational update on construction progress. Staff inspected doors and windows to verify the monthly claim.
 - **Action & Vote Disposition:** Informational only; no vote taken.
- [00:24:26](#) **Muncie Industrial Center Trail Update & VS Engineering Contract Addendum**
 - **Sponsor / Presenter:** Staff / VS Engineering representative Kenny Bert.
 - **Deliberation Summary:** Update on trail progress and coordination with the railroad for a Z-gate crossing. A contract addendum includes additions of \$39,675 for Phase 1 (railroad crossing/Cowan Road) and deletions of \$24,775 from Phase 2, resulting in a net increase of \$19,900 (bringing total VS Engineering payments to \$259,100).
 - **Action & Vote Disposition:** Approved by Roll Call Vote (5-0) to accept the \$19,900 net contract addendum [00:28:26](#).
- [00:28:46](#) **SRM Concrete Update**
 - **Sponsor / Presenter:** Staff.
 - **Deliberation Summary:** Informational update that SRM has secured necessary Department of Environmental Management (IDEM) permits. The board also discussed researching the SRM rail spur agreement regarding maintenance and mowing responsibilities adjacent to local homeowners.
 - **Action & Vote Disposition:** Informational only; no vote taken.
- [00:31:02](#) **ECRPD (East Central Indiana Regional Planning District) Update**
 - **Sponsor / Presenter:** Bill Walters (via staff).
 - **Deliberation Summary:** Provided an update on international economic development metrics. In 2024, \$70,239 in ECRPD agreement funding yielded

- \$24,311,000 in total investment. ECRPD maintains a remaining balance of \$131,000.
 - **Action & Vote Disposition:** Informational only; no vote taken.
- **00:33:10 Cowan Sidewalk and Driveway Request**
 - **Sponsor / Presenter:** Staff / United Consulting.
 - **Deliberation Summary:** Request for a \$5,000 curb cut/driveway installation for a parcel affected by the sidewalk project where two homes historically shared an unclear driveway configuration.
 - **Action & Vote Disposition:** Approved by Roll Call Vote (5-0) [00:36:58](#).
- **00:37:24 Resolution 2025-12: Amending 2022 Sheriff's Vehicle Lease Resolution**
 - **Sponsor / Presenter:** Danielle / Board Leadership.
 - **Deliberation Summary:** Amends a 2022 resolution regarding annual lease payments for Sheriff's Ford vehicles. Because an escrow credit reduced this year's payment to \$33,308.46, and because original TIF sources (such as Morrison and Daleville) are either restricted or depleted, the resolution updates the authorized TIF funding pool to higher-balanced TIFs (e.g., Magna, Progress Rail, Midwest Metal Allocation, Park Save a Lot) without rigid limitations, allowing flexible judgment for future payments.
 - **Action & Vote Disposition:** Approved by Roll Call Vote (5-0) [00:43:56](#).
- **00:44:08 Invoice / Claims Approval**
 - **Sponsor / Presenter:** Staff.
 - **Deliberation Summary:** The board reviewed regular claims, including a last-minute addition for J Crew (Innovation Drive parcel 3) for \$440, and noted a \$188.88 claim for mowing parcel 4 (noting that instructions to stop mowing have been re-issued). Cobalt Civil's Ready 1.0 water/sewer invoice (\$84,638.98) was also reviewed and processed through the Daleville TIF. Total claims approved, including parcel 3, came to \$558,933.47.
 - **Action & Vote Disposition:** Approved by Roll Call Vote (5-0) inclusive of parcel 3 [00:47:26](#).

- **Adjournment:** The meeting was adjourned by voice vote following a motion and second [00:48:47](#).
