 - **Deliberation Summary:** Appropriation request totaling \$150,000 (\$25,000 for transcript fees, \$50,000 for attorney fees, \$75,000 for professional services). Harvey cited spikes in level 1 felony jury trials (dealing in death), a high volume of appeals (10 appeals costing \$41,000), increased CHINS (Children in Need of Services) juvenile cases, and a surge in psychological evaluations driven by drug-related arrests. Council discussed contract counsel costs vs. hiring a full-time "floater" public defender, though scheduling and court conflicts make floating difficult. Emily Anderson noted that 16 jury trials canceled this year, and the department will begin dipping into the non-county general "jury fee fund" to offset the appropriation. 40% of these expenses are state-reimbursable.

- **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote (Roll call vote recorded; Mr. Hughes voted "No", all other members present voted "Yes").
- **00:42:33 Appropriations: DCCC Juvenile Grant (JCC)**

 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote (Roll call vote recorded with unanimous "Yes" votes).
- **00:44:20 Appropriations: CASA Wellness Grant (9115)**
 - **Sponsor / Presenter:** Emily Anderson
 - **Deliberation Summary:** Appropriation of \$1,238 for health insurance to cover a CASA grant employee through the end of the year, as the CASA director initially under-appropriated benefits at budget time while waiting to see how grants settled.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote (Roll call vote recorded with unanimous "Yes" votes).
- **00:48:19 Job Description Approval: Pre-Trial Supervision Screening Analyst**
