4. Substantive Business & Board Action

- **00:05:17 Register of Claims**
 - **Sponsor / Presenter:** Board Commissioners / District Administration.
 - **Deliberation Summary:** The board considered the register of claims totaling \$6,231,02. A commissioner noted for the record that the vast majority of this amount<U+2014>over \$5 million<U+2014>represents bi-annual bond repayments.
 - **Action & Vote Disposition:** Approved by Voice Vote **00:06:07**.
- **00:08:26 Rejection of Bids for Queen Street Property (Item 1)**
 - **Sponsor / Presenter:** Rick Conrad, District Administrator **00:08:37**.
 - **Deliberation Summary:** Mr. Conrad explained that the district previously purchased the property at 610 Queen Street for staging construction work on CSO7. Following completion, the property was put out for public bid as a parking lot last May. Because the winning bidder failed to complete the purchase, staff recommended rejecting the current bids and readvertising the property per legal counsel's requirements.
 - **Action & Vote Disposition:** Approved by Voice Vote to reject bids and readvertise **00:10:02**.
- **00:10:05 Acceptance of Bid for Robinson Pipe Cleaning**
 - **Sponsor / Presenter:** John Anderson, District Engineer **00:10:17**.
 - **Deliberation Summary:** Mr. Anderson brought forward a quote for sewer lining on Dill Street (between North Street and Gilbert) associated with the Village South project, where private contractors vacated a block of Dill Street. The district received an initial internal quote of \$70,000, but the project developer solicited a competitive quote from Robinson Pipe Cleaning for \$36,500. After staff review and adjustments to align with project specs, the developer agreed to pay 50% of the cost upon project completion. Legal and administrative staff recommended accepting Robinson Pipe Cleaning's quote of \$36,500.
 - **Action & Vote Disposition:** Approved by Voice Vote **00:12:42**.

5. Open Public Comment / Citizen Forum

- **00:01:31 Russell O'Neal** (Resident of 457 South Clubhouse Road)
 - **Topics Addressed:** Expressed strong concerns regarding the district's billing system and structure. Stated he frequently receives multiple bills and delinquent notices in a single month that do not add up logically ("fuzzy math"). Noted that district staff informed him billing due dates cannot be changed to align with his other monthly bills (which are paid by the 10th), and that staff recommended paying a month ahead. Mr. O'Neal objected to paying for unrendered services in advance and requested that the district reform its billing practices and policies to better accommodate customers.

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - **District Administrator Update (00:06:21):** Rick Conrad reported on upcoming traffic impacts, noting engineering work on Calvert Street near the new BSU hotel this week (with potential limited road closures) and upcoming work on Memorial Drive between Macedonia and Blaine later in the month (with lane restrictions). He also provided an update on post-storm tree limb collection, noting that sanitation and recycling crews have nearly completed picking up storm debris from mid-June, and reminded residents they can call the office at 747-4865 to schedule remaining pickups (adhering to 8-foot pile length and 6-inch diameter limits).
 - **Board Comments (00:12:49):** The presiding officer thanked the sanitary district for their assistance with recent community events, including the Touch-Truck event and providing street sweepers for the 4th of July.
- **Adjournment:** The meeting was officially adjourned by voice vote 00:13:36.
