 - The board acknowledged receiving written feedback from Lieutenant Deeds regarding EMS considerations. The Chief noted that promotional ranks serve on fire trucks or in the front office rather than on ambulances, though department-wide EMT compliance is high and continuing to phase in through contracts and attrition.
 - **Item-Specific Public Input (00:06:10):** Eric Brown spoke regarding the proposed rules, pointing out discrepancies between the distributed text and prior rule changes from March (such as inspector time and probationary periods). Brown also raised structural questions regarding testing eligibility between captain, chief inspector, and battalion chief ranks, as well as housekeeping clarifications regarding the written test weight shifting to 60%.
