### 2. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the Pledge of Allegiance led by Deputy Stanley [00:00:27](#).

- **Approval of Agenda:** The agenda was confirmed as posted properly and accepted by voice/roll-call vote [00:01:12](#).

### 3. Substantive Business & Board Action

---

#### [00:02:03](#) County General Courts Transfer (Pre-Trial Screening Analyst & Probation Officer)

- **Sponsor / Presenter:** Emily Anderson, Court Administrator, accompanied by Jeff Hansard, Chief Probation Officer.
- **Deliberation Summary:** Emily Anderson presented a request to swap positions due to shifting criminal justice needs since moving to the new jail. The full-time Pre-Trial Screening Analyst position will be reduced to part-time (\$20/hour, Level 4), and the part-time probation officer position will be converted to full-time. The adjustment results in a long-term net savings because the pre-trial analyst position is a flat-rate part-time role versus a higher-tier part-time probation officer rate. Neither position includes insurance benefits.
- **Action & Vote Disposition:** Approved by roll call vote [00:09:00](#).

#### [00:09:18](#) High-Tech Crimes Unit Fund Transfer

- **Sponsor / Presenter:** Chuck Zimmers, High-Tech Crimes Unit Director.
- **Deliberation Summary:** Chuck Zimmers requested a transfer of funds (\$800 from education/certification, \$836 from conferences/schooling) into equipment (\$1,636) to purchase hard drives, computer parts, RAM upgrades for retired computers, and necessary device adapters using Ball Brothers grant money and unspent state-funded training lines.
- **Action & Vote Disposition:** Approved by roll call vote [00:11:02](#).

#### [00:11:26](#) Courts Grant Appropriation Adjustment

- **Sponsor / Presenter:** Emily Anderson, Court Administrator.
- **Deliberation Summary:** Emily Anderson explained an appropriation of \$2,417 from user fees to cover a retroactive freeze and backdating applied to a JDAI grant after the county decided not to pursue the next grant cycle, which required repaying funds already spent from the current cycle.
- **Action & Vote Disposition:** Approved by roll call vote [00:12:38](#).

#### [00:12:58](#) County Assessor<U+2019>s Sale Disclosure Fund Appropriation

- **Sponsor / Presenter:** James, County Assessor.
- **Deliberation Summary:** James requested appropriations of \$15,664.92 for professional services (postage and mailing assessment notices) and \$2,495 for equipment (replacing a 9-year-old copier), drawn from the Sale Disclosure Fund rather than the general fund.
- **Action & Vote Disposition:** Approved by roll call vote [00:15:26](#).

#### [00:15:39](#) Motor Vehicle Highway Restricted & Community Crossings Matching Grant

- **Sponsor / Presenter:** Carrie Die (County Highway) and Matt.
- **Deliberation Summary:** Two matching entries totaling \$486,430 each for the first call of the 2025 Community Crossings matching grant. Funds cover paving approximately 5.8 miles across 650 East, River Valley, County Road 271 East (Wilman Road), and 1200 North. Matt noted that due to House Bill 1461, INDOT has frozen the second call for 2025, making this the sole call of the year.
- **Action & Vote Disposition:** Both items approved separately by roll call votes ([00:16:48](#) and [00:17:56](#)). A combined motion to approve financial transfers and amend the salary ordinance with like reductions also passed by roll call vote [00:18:09](#).

#### [00:18:28](#) Backfilling Report

- **Action & Vote Disposition:** Backfilling report approved by roll call vote [00:18:36](#).

#### [00:18:57](#) Resolution 2025-10: Recognizing Amateur Radio Operators

- **Sponsor / Presenter:** Introduced via a message from Commissioner Brand; read into the record by Mr. Whitehead [00:20:53](#).
- **Deliberation Summary:** The resolution honors amateur radio ("ham") operators for over a century of service, highlighting their voluntary communication support during emergencies (cooperating with EMA, Red Cross, FEMA, and National Weather Services Skywarn program) and public events (parades, bikeathons). Council members expressed strong support, noting the critical nature of radio towers when cell towers fail during severe weather.
- **Action & Vote Disposition:** Approved by roll call vote [00:20:43](#).

#### [00:23:16](#) Job Classification Committee: CASA Executive Director Position

- **Sponsor / Presenter:** Emily Anderson, Court Administrator.
- **Deliberation Summary:** Presented a revised job description for the CASA Executive Director position, which now requires a Juris Doctor (attorney admitted in good standing to the Supreme Court) and relevant legal/administrative experience. The salary range is set between \$58,656 and \$78,656. The position reports directly to the supervising supervising judge of the circuit court with a dotted line to the court administrator. Emily noted the position has been posted broadly to accept applicants up to a JD, and if an

Council members (including Bill and Matt) raised concerns about unappropriated funds being spent too quickly and proposed examining whether a portion should be allocated to the Rainy Day Fund<U+2014>currently sitting stagnant at around \$600,000<U+2014>to prepare for future emergencies (e.g., storms, tornadoes). The finance committee agreed to review data and bring recommendations to the next finance meeting.
