The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

Sanitary Commissioners Meeting Summary

Date: April 2, 2025

Meeting Body: Board of Sanitary Commissioners

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The presiding officer called the regular meeting of the Sanitary Commissioners to order at [00:00:27](#) on April 2, 2025.
- **Attendance:** All commissioners were present.
 - **Presiding Officer:** Board President / Chair (unnamed in transcript)
 - **Board Members Present:** Mr. Clark, Mr. Sylvie, Mr. Overton, Mr. Smith, and the presiding officer.
 - **Staff Present:** Rick Conrad (District Administrator), Jason Ingram (Superintendent at the treatment plant), Tom Noble (Engineering).

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the recitation of the Pledge of Allegiance ([00:00:38](#)).
- **Approval of Minutes:** The board considered the minutes from the March 19, 2025 board meeting ([00:01:13](#)). Approved by voice vote with four ayes and one abstention (the presiding officer abstained due to being absent at the prior meeting).

- **Register of Claims:** The board reviewed the register of claims totaling \$46,791.69 (00:01:44). Approved unanimously by voice vote (00:02:19).
-

4. Substantive Business & Board Action

- **00:08:03 Resolution 2025-[Unspecified Number]: CNG Vehicle Agreement with Police Department**
 - **Sponsor / Presenter:** Rick Conrad, District Administrator.
 - **Deliberation Summary:** Mr. Conrad explained that the resolution addresses a past agreement with the police department regarding the Sanitary District's CNG (Compressed Natural Gas) fueling station, under which the district helped outfit police vehicles to run on natural gas with the expectation that fuel usage would eventually pay back the loan to the Sanitary District. Because the police department has transitioned toward EV and hybrid fleets, CNG usage has dwindled to only one or two cars. To clear the books on a 10-year repayment impasse inherited from a prior administration, the resolution erases the police department's debt in exchange for five CNG vehicles that the Sanitary District can repurpose for district use (likely at the sanitation department where the CNG station is located).
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by voice vote (recorded as passing with five ayes).
-

5. Open Public Comment / Citizen Forum

- **00:01:03 General Public Comment:** The floor was opened for public comment near the beginning of the meeting. Seeing no members of the public come forward, the comment period was closed.
-

6. Administrative Updates & Adjournment

- **Staff & Board Announcements:**
 - **District Administrator Update (00:02:25):**
 - **Treatment Plant Repairs:** Superintendent Jason Ingram successfully averted a near-catastrophic pipe leak early in the week. Emergency equipment and bypass pumps were prepped, preventing damage to the plant's four main pumps. Estimated emergency expenses are around \$300,000, which the board lauded as money well-spent to avoid a full plant shutdown.
 - **Weather & Storm Preparedness:** Anticipated heavy rains are forecasted, though weather models lowered expected totals slightly. Engineering crews

(led by Tom Noble) remain on alert for inland flooding. Residents are advised to clear nearby storm drains of leaves and debris.

- **Stormwater Training:** Employee training for the Municipal Stormwater program (an IDEM-mandated pollution prevention measure) is scheduled for Friday.
- **New Connection Security Deposit:** Beginning Monday, April 7, new connections to the Sanitary District setting up service through Indiana American Water will be assessed an additional \$135 security deposit to curb unpaid final bills. The deposit is refundable upon account disconnection.
- **Neighborhood Cleanups:** Jason Denat announced the spring neighborhood cleanup schedule: May 3 (Old West End Industry, Thomas Park, South Central), May 10 (McKinley Riverside, Morningside, Whitley), and May 17 (South Side, East Central).
- **Adjournment:** The meeting was adjourned by a motion and second, approved unanimously by voice vote (00:12:29).
