Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

Municipal Meeting Summary Report

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The regular meeting of the Board of Sanitary Commissioners was called to order on April 30, 2025, by the presiding officer.
- **Attendance:**
 - **Present:** Unnamed presiding officer, Mr. Clark, Mr. Selby, and Mr. Overton.
 - **Absent:** Mr. David Smith (excused).

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the recitation of the Pledge of Allegiance.
- **Approval of Minutes:** **00:01:11** The board considered the minutes from the April 16, 2025, meeting, which were prepared by Miss Maggie Bells.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **Register of Claims:** **00:01:38** The board reviewed the register of claims totaling \$1,134,715.71. Staff highlighted a \$24,068.80 claim from Coup's Lawn and Landscape for additional river cleanup following flooding that impacted the trail within the levee area.
 - **Action & Vote Disposition:** Approved by Voice Vote.

4. Substantive Business & Board Action

- **00:06:16 Resolution 2025-05: Declaratory Resolution**
 - **Sponsor / Presenter:** Sarah Carell with Ice Miller.
 - **Deliberation Summary:** Sarah Carell presented the declaratory resolution, noting it is the initial statutory step required for a special taxing district to issue debt. The resolution authorizes a series of projects to comply with an IDM/EPA mandate regarding sewer separation, sets a maximum bonding amount of \$280 million (which includes project costs, financing fees, ancillary charges, and interest for an actual debt issuance of approximately \$153 million), and authorizes the publication of public notices. Board members and staff discussed that the project is a mandatory EPA-ordered sewer separation.
 - **Item-Specific Public Input:** None recorded.
 - **Action & Vote Disposition:** Approved by Voice Vote.

5. Open Public Comment / Citizen Forum

- No general public comments were made during the designated public comment period **00:00:59**.

6. Administrative Updates & Adjournment

- **Staff & Board Announcements:**
 - **District Administrator Update (00:02:55):** Rick Conrad reported on current traffic and utility projects, including sewer replacements on Petty (between Brier and Dwayne, noting the Brier/Petty intersection is now open), closures on North Oakwood (between McGalliard and Purdue), and flaggers on North Everett due to a force main leak. Conrad specifically commended the engineering department (Tom Noble) and plant staff (Jason Ingram) for handling the force main repair in-house, saving an estimated \$90,000. Additionally, non-department head employees have stormwater training scheduled for Friday, and a groundbreaking for the new gateway project at the Kitselman Gateway on East Jackson Street is scheduled for 3:30 PM that day in partnership with the Cardinal Greenway and Ball Brothers Foundation.
 - **Board Comments:** Board members praised the engineering and plant teams for cost savings and quick response times. Mention was also made of the smooth rollout of the Bamboo system by Tim and his team, and praise was given to Mr. Ivy and Jason regarding recent handling of IOSHA matters.
- **Adjournment: 00:10:04** The meeting was adjourned by a motion and a second.
 - **Action & Vote Disposition:** Approved by Voice Vote.
