Muny Board of Public Works and Safety <U+2014> Meeting Summary

Meeting Date: May 7, Territorial / Municipal Board

Report Prepared By: Expert Civic Analyst

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Presiding officer opened the meeting of the Muny Board of Public Works and Safety at [00:00:20](#).
- **Attendance:**
 - Members Present: Ted Baker, Mer Linda Greger (Presiding Officer).
 - Members Absent: Not specified.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the Pledge of Allegiance led by the presiding officer [00:00:22](#).
- **Approval of Minutes:** [00:00:50](#) The minutes of the April 30th meeting were motioned, seconded, and approved by voice vote ([00:01:08](#)).

4. Substantive Business & Board Action

00:01:14 Register of Claims

- **Sponsor / Presenter:** Matt Waggley, Deputy Controller.
- **Deliberation Summary:** Waggley presented the weekly register of claims. Board members questioned a \$38,000 “miscellaneous” item under the Board of Works for “Make My Move” (a remote worker recruitment campaign). Waggley clarified the expense covered the recruitment campaign itself rather than individual stipends, and noted that the state Indiana Economic Development Corporation (IEDC) reimburses a good portion of the cost. The board requested more detailed descriptions for future transparency to satisfy state board of accounts expectations. Other items discussed included a \$48,000 website expenditure, a \$4,304 camera maintenance warranty, and Farm & Fleet filling two tires with beet juice (noted as the heaviest non-corrosive tire ballast).
- **Item-Specific Public Input:** 00:03:36 Jerry Wise (Citizen Advocate) commented on the public transparency of the website and camera warranty costs, and shared the trivia regarding beet juice tire ballast.
- **Action & Vote Disposition:** Approved by Voice Vote (00:04:52 for total claims of \$875,830).

00:04:54 Noise Exemption Authorization: North Central Industries

- **Sponsor / Presenter:** Richard Shields, President of North Central Industries.
- **Deliberation Summary:** Shields requested a noise exemption for a customer fireworks demonstration event on May 10th. He noted the company has operated in town for 70 years, and the event features a trade show followed by a product demonstration and a brief 5-minute finale at dusk. Security will be present, and neighboring properties (including the Whitley Community Center across the river) will be leafleted. Board members commended the company for bringing out-of-town visitors to the community.
- **Item-Specific Public Input:** None specific to this item outside of applicant testimony.
- **Action & Vote Disposition:** Approved by Voice Vote (00:07:50).

00:08:00 Agreement Authorization: City of Muny and Argos Government (Telmatix)

- **Sponsor / Presenter:** Adam Leech, City Engineer.
- **Deliberation Summary:** Leech presented an agreement with Argos Government (Telmatix) to serve as the city's new GPS fleet provider, replacing Samsara. The new provider is approximately \$3 per unit cheaper, offers better service, and is quasi-local (based in Indianapolis). GPS units are placed on all city vehicles (including plow fleets and patch crews) for tracking, mapping, and accountability. The contract is year-to-year and can be terminated with 60 days' notice; it was reviewed by the legal department.

- **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote ([00:09:51](#)).
-

5. Open Public Comment / Citizen Forum

- [00:10:19](#) **Jason Chapen (Union President, Firefighters Local 1348):** Presented the annual firefighter street collection schedule and charity breakdown. Collections occur at specific intersections 4 to 6 p.m. across 6 total dates. Funds are allocated as follows: 30% to Special Olympics of Delaware County, 30% to the Muscular Dystrophy Association, 30% to Toys for Tots, and 10% to the local charity account for community sponsorships. Chapen noted that 2024 collections were lower (~\$8,000) due to bad weather and high call volumes pulling emergency units away.
 - *Action:* The collection schedule was approved by voice vote ([00:14:36](#)).
- [00:14:50](#) **Joanna Artisone (Local Business Owner):** Expressed severe grievances regarding ongoing harassment, parking issues, suspected drug activity, and code enforcement notices tied to a property across from her business on First Street and Kilgore. She claimed she received a threatening 10-day compliance letter from City Engineer Adam Leech and is now being sued by the city.
 - *Board Response:* The board declined to comment, stating that because the matter has been turned over to the legal department, they are legally prohibited from discussing or taking action on ongoing litigation.
- [00:22:36](#) **Jerry Wise (Resident):** Voiced concerns regarding loud fireworks demonstrations originating near the fairgrounds (referencing North Central Industries' events). He stated residents two blocks away are never notified via flyers, and the explosive mortars rattle windows.
 - *Applicant/Staff Response:* Richard Shields agreed to collect Wise's contact information to provide direct notice for future events. Amber Green (Director of Communications) added that disruptive events submitted to the city will also be posted on city social media and websites.
- [00:24:40](#) **Constance Jones (Resident):** Appeared regarding a noise exemption application for a Mother's Day weekend event at 900 South P Street, noting her brother (co-organizer) recently passed away. Confusion arose over missing paperwork at the board level, though Jones stated she had cleared it with the police and fire chiefs.
 - *Board Response:* The board advised that if the event is indoors, maintains reasonable volume levels, and complies with standard noise ordinances without becoming a major disruption, a formal noise exemption board approval is not required. The board promised to follow up with Police Chief Sloan to ensure smooth communication.
- [[00:23:23](#) / [00:31:23](#)] **Aaron Neff (Secretary, Northside Neighborhood Association):** Inquired about board requirements for installing a permanent stone bench

in the public right-of-way at Wheeling and Coing (incorporating a time capsule for upcoming city/county centennial/bicentennial celebrations).

- *Board Response:* The board advised Neff to coordinate directly with the City Engineer's office regarding below-ground footers, utility locations, and proper application documentation ahead of their 2026 funding deadline.

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:** None explicitly scheduled beyond follow-up actions assigned to staff regarding claims details and department coordination.
- **Adjournment:** The meeting was officially adjourned by the presiding officer at 00:34:16.
