Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

1. Pre-Meeting Hearings & Committee Work Sessions

Omitted (No statutory public hearings or committee work sessions were held prior to the regular meeting).

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** 00:00:20 The Board of Sanitary Commissioners meeting for May 14, 2025, was called to order by the presiding officer.
- **Attendance:**
 - **Present:** The presiding officer noted that all members were present with no absences. (Board members explicitly recognized during roll/inquiries include Mr. Clark, Mr. Selby, Mr. Overton, and Mr. Smith).
 - **Absent:** None.
 - **Presiding Officer:** Noted as the board president/chair leading the meeting.

3. Procedural Business

- **Ceremonial Openings:** 00:00:25 The meeting opened with the recitation of the Pledge of Allegiance.
- **Approval of Minutes:** 00:01:01 The board considered the minutes from the April 30, 2025, meeting.

- **Action & Vote Disposition:** Approved by Voice Vote.
-

4. Substantive Business & Board Action

- **00:01:22 Register of Claims**
 - **Sponsor / Presenter:** Board leadership / Administration.
 - **Deliberation Summary:** The board reviewed a register of claims totaling \$762,285.15. Leadership highlighted one large claim: Payment No. 39 to Bowen Engineering for \$124,066.95, associated with the 2021 bond project for work performed at the water pollution control facility.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
 - **00:05:44 Item 1: Quote Opening for Project 1 San-25 (Dill Street Lining)**
 - **Sponsor / Presenter:** John Anderson, District Engineer.
 - **Deliberation Summary:** Mr. Anderson explained that due to a city redevelopment project that vacated Dill Street, sanitary pipe issues arose. Rather than digging up and replacing the pipe in the vacated street, lining was determined to be more cost-effective. One quote was received from Inliner Solutions in the amount of \$70,000.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Placed on file for quote review and evaluation; the board will contemplate and return with a final decision at the next meeting.
 - **00:07:27 Task Summary: Christopher Burke Engineering (Levey FEMA Certification Work)**
 - **Sponsor / Presenter:** Rick Conrad, District Administrator / Christopher Burke Engineering.
 - **Deliberation Summary:** Mr. Conrad presented a task summary for continuing engineering work to get Muncie's levee certified through FEMA, focusing on data gathering, design, and permitting for the next section down (the west breach of the south levee). Mr. Overton commented that the project saves Muncie residents substantial amounts of money by exempting them from mandatory flood insurance purchases. Board leadership and engineering noted the scope includes hydraulic modeling, a letter of map revision (LOMR) process taking about a year, and mitigating levy erosion. The cost of the contract addition is \$196,000.00.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved the addition of the task to the existing contract in the sum of \$196,000.00 by Voice Vote.
-

5. Open Public Comment / Citizen Forum

- **00:00:48 General Public Comment: 00:00:48** The presiding officer opened the floor for public comment. No members of the public stepped forward to speak.
-

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - **District Administrator Update (00:02:24):** Rick Conrad provided updates on traffic and infrastructure work:
 - Work is continuing on Petty Road (between Brier and Dwayne) and is anticipated to wrap up next week, weather permitting.
 - Upcoming sewer replacement work on West Amherst (between Brentwood and Riley).
 - **Levee Mowing Adjustment:** To save mowing costs across 80 acres of levy with minimal public use, slopes will be allowed to grow taller (up to approximately 12 inches) before mowing, while the greenway will be kept clean and neat.
 - **State Bill 1:** The district is investigating potential negative revenue impacts from state bill one regarding property tax losses and evaluating a potential shift to a billing format over the coming months.
 - **Levee Sand Removal:** Engineering crews have removed five single-axle dump truck loads of sand left behind by river flooding along the greenway.
 - **IDEM Negotiations:** Long-term control plan negotiations with IDEM are progressing well, with a potential approved alternative plan expected by the next board meeting.
 - **Department Head Updates:** None.
 - **Shout-outs (00:03:34):** The board president recognized Jason Ingram for his extensive work and background knowledge supporting wastewater pollution control facility operations with Ty Lin.
 - **Adjournment: 00:11:08** Following a motion and a second, the meeting was adjourned by voice vote.
-
