The organization also provides its meeting room, facilities, utilities, and trash removal to the commission at no charge. Due to cash flow challenges for 2024, Ted formally requested **\$50,000** from Delaware County, which would be split equally among the 10 strongest County TIF districts (a historical funding method ranging previously from \$10,000 to \$25,000).

- **Sponsor / Presenter:** Chuck, Director of the Delaware County High-Tech Crimes Unit.

The current lab space in the prosecutor's office is roughly 200<U+2013>300 square feet with three analysts. Phase 1 would expand the space to approximately 1,300 square feet to accommodate equipment, training, and a Ball State/AU internship program. Quotes provided included a materials estimate of \$36,891.19 and a labor estimate of \$52,764.92.
