Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The presiding officer called the meeting to order, establishing the official proceedings for the municipal utility board.
- **Attendance:**
 - *Members Present:* Board members Josh, Joe, and other unnamed board representatives.
 - *Staff Present:* Jason (Utility Superintendent), Penny (Treasurer / Financial Staff), Jennifer Wilson (Crow representation), Ashley (Communications/Media staff), and legal/engineering representatives.
 - *Presiding Officer:* Unnamed lead chair/president.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting proceeded directly to administrative and financial updates.
- **Approval of Minutes:**
 - **00:05:59** The board reviewed the minutes from the previous meeting on September 2, 2026 (distributed by Penny on October 2).
 - *Action & Vote Disposition:* Approved by Voice Vote.

4. Substantive Business & Board Action

- **00:06:26 Claims & Financial Report**
 - **Sponsor / Presenter:** Penny (Treasurer) and Jason.
 - **Deliberation Summary:** Penny presented claims from August 30, 2026, through September 29, 2026, totaling \$2,278,058.91 (noting an initial reading clarification/correction during discussion). Cash operating balances stand at \$3,356,503.72, and the improvement fund balance is \$2,954,957.35. Additional details included the Daleville TIF transfer (\$9,411), IBB transfer (\$18,755.55), and five current CD investments of \$300,000 each with staggered maturity dates through January 2027.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:09:44 Old Business: Barry Property Easement Agreement**
 - **Sponsor / Presenter:** Jason.
 - **Deliberation Summary:** Discussion regarding an unrecorded utility easement from a previous attorney. The homeowner requested moving the meter to the opposite side of the driveway for field access, replacing the access cover, and establishing crop-season damage language (similar to State Road 3 provisions). Material costs are estimated at approximately \$2,500. Mr. Barry agreed to the presented document.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:12:00 Old Business: Strategic Plan**
 - **Sponsor / Presenter:** Jason / Commonwealth team.
 - **Deliberation Summary:** The board reviewed updates to the long-term strategic plan document. Discussion ensued regarding wastewater treatment service rates, incorporating historical context (e.g., Yorktown going three years without an increase), and establishing that the plan will function as a living document updated on a yearly basis.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:25:27 New Business: Employee Health Insurance (San Clark Insurance Group)**
 - **Sponsor / Presenter:** Jason.
 - **Deliberation Summary:** Jason reported on market rate research (including North Point and Clark Insurance Group quotes showing widespread 75% to 400% increases across the market). Remaining with San Clark yields a modest 14% increase (approx. \$5,000 to the district) for a \$7,500 deductible plan bought down to \$2,500. Board members noted that compared to state/national trends (up to 24-50%+), this renewal is a favorable outcome.
 - **Item-Specific Public Input:** None.

- **Action & Vote Disposition:** Approved by Voice Vote.
- **00:19:23 New Business: Yorktown Wastewater Rate Analysis**
 - **Sponsor / Presenter:** Jennifer Wilson (Crow) and Jason.
 - **Deliberation Summary:** Jennifer presented the biannual rate adjustment calculations under the Yorktown contract (overdue since January 1, 2024). Due to a formula factoring in treatment plant flow reductions (district flow dropping from 100,000 units down to roughly 75,000 units), the calculated rate shifts from \$3.64 per thousand gallons up to \$4.46 per thousand gallons, bringing annual estimated costs to Yorktown from ~\$300,000 to \$363,000.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Passed via Roll Call Vote (Josh: Yes, Joe: Yes, Unanimously recorded).
- **00:27:30 New Business: Task Order for Permitting & Clearing of the DA Interceptor Easement**
 - **Sponsor / Presenter:** Jason / Scott (Commonwealth).
 - **Deliberation Summary:** Discussion regarding the heavily wooded, wetland-heavy interceptor line running west of Route 69 toward the Chesterfield ballpark. Commonwealth presented a task order not to exceed \$35,000 to cover environmental permitting (wetlands, floodplains, Indiana bat protections) required prior to clearing tree lines during winter freeze conditions. Maintenance has not occurred since 1979. Bids will be secured in winter.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:33:31 New Business: Sheriff's Sale Property Write-Off (15001 West 6th Street)**
 - **Sponsor / Presenter:** Jason.
 - **Deliberation Summary:** A property at 15001 West 6th Street (Corner of 5th/6th and Edwards) sold at a sheriff's sale approximately a year ago. Uncollected utility balances totaling \$325.67 accrued while unbilled due to ownership transition challenges and unlocatable new owners. Staff recommended writing off the balance.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:35:16 New Business: Financial Rate Analysis Scope & Proposal**
 - **Sponsor / Presenter:** Jason and Jennifer Wilson (Crow).
 - **Deliberation Summary:** Proposed entering into an agreement with Crow for a financial rate and capital position analysis (estimated between \$16,000 and \$18,000, billed hourly). The goal is to evaluate the 5-to-10-year financial outlook, reserve funds, capital project impact, and upcoming cost pressures proactively rather than reacting blindly to future treatment provider increases. Presentations will be made to both the board and county commissioners.
 - **Item-Specific Public Input:** None.

- **Action & Vote Disposition:** Approved by Voice Vote.
-

5. Open Public Comment / Citizen Forum

- *No general public comments were recorded during this portion of the meeting transcript.*
-

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - **Collections:** Cap-off list stands at \$834.94 (down from \$2,531.34 last month); two properties reconnected, one disconnected.
 - **Infrastructure:** Rorton area electrical H-frame replacements are over halfway complete.
 - **Communications:** Ashley reported website views dipped slightly due to fewer updates, but monthly emails reached 252 recipients with low unsubscribe metrics. The approved strategic plan will be posted online.
 - **Westel / Regional Projects:** Ongoing board coordination continues with bi-monthly meetings. Federal congressional direct funding (\$4M request) remains pending in Senate subcommittees awaiting congressional return, though the broader project is locally bonded (\$10M total, \$5M allocated) and moving forward.
 - **Adjournment:** 00:51:17 The presiding officer entertained a motion to adjourn upon concluding all scheduled board business.
