  - **Sponsor / Presenter:** Nikita Adams, Office of Community Development.

  - **Item-Specific Public Input:** None.
  - **Action & Vote Disposition:** Approved in the amount of $4,539 by Voice Vote.
- 00:10:09 **Public Works Salt Contract Purchase**
  - **Sponsor / Presenter:** Donnie Right, Muncie Public Works.
  - **Deliberation Summary:** Right reported that the state bid contract could not fulfill the majority of the Greenfield district’s untreated salt needs, forcing the city to source salt independently amid regional shortages. The city found Midwest Salt

Company, which can allot 2,500 tons delivered from Burns Harbor/Chicago at $168.10 per ton (totaling a significant price increase from the usual $90 range). The sanitary district (MSD) will pay for half of the salt cost to prevent sand usage in storm drains.
    - **Item-Specific Public Input:**
        - 00:16:53 Jerry Wise asked if the city pre-treated roads with liquid mixtures (such as beet juice), to which Right clarified they do not currently use liquid application.

- 00:17:38 **Adjustment for Board of Works Meeting Time (Veterans Day)**
    - **Sponsor / Presenter:** Presiding Officer / Board Leadership.
    - **Deliberation Summary:** Because Veterans Day falls on Wednesday, November 11th (when City Hall will be closed), the board proposed shifting that week's meeting by one day.
    - **Item-Specific Public Input:** None.
    - **Action & Vote Disposition:** Motioned and **Approved by Voice Vote** to reschedule the meeting to Thursday, November 12th, at the same time and place.

5. Open Public Comment / Citizen Forum

- 00:18:42 **Rick Answer** (Newsman/Author): Addressed the board regarding traffic and reconstruction issues on Tillson Road, noting a lack of proper signage/notice for intersections under construction, deep subsurface excavations, and potential timing delays extending into spring. He also commented on the salt contract, noting that nationwide salt prices averaging $300 to $350 per ton mean the city actually secured a relative break on their independent contract.
