When accuracy is critical, please refer to the official video recording or approved minutes.

Delaware County Commissioners Meeting Report

Meeting Date: March 20, 2023

Recorded Start Time: [00:00:07](#)

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Presiding officer opened the Delaware County Commissioner meeting on Monday, March 20, 2023, at [00:00:08](#).
- **Attendance:**
 - **Members Present:** Mr. King, Ms. Reagan (President), Mr. Henry, Mr. Burke.
 - **Members Absent:** Not explicitly noted.
 - **Presiding Officer:** Ms. Reagan (President).

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the Pledge of Allegiance led by the board [00:00:12](#).

- **Approval of Minutes:** Motion to approve the minutes of the March 7, 2023 commission reading was moved, seconded, and approved by roll call vote (Mr. King: Yes, Ms. Reagan: Yes, Mr. Henry: Yes) [00:01:04](#).
-

4. Substantive Business & Board Action

- **00:01:20 Presentation: Fairgrounds New Building / Sheep & Goat Barn**
 - **Sponsor / Presenter:** Sean Eldridge and Andrew Eller representing the 4-H Council (alongside Tanya Coulter of T&M Log Homes).
 - **Deliberation Summary:** Presenters provided an update on flooding issues in the older "goat barn" over the past three years. Evaluating repair costs versus a new build showed it is nearly a wash to repair the old roof due to rotted wood. Instead, 4-H requested permission to add a 30-to-40 by 100-foot extension to the west side of the newest, open-sided barn used for sheep, which would house both sheep and goats, lower the roof pitch to benefit animals, and resolve flooding layout issues. They are aiming to raise roughly \$30,000 through donations (including support from the Farm Bureau) and are seeking commissioner approval to proceed with construction before the fair if funds allow.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Motion to proceed as presented was moved, seconded, and passed by roll call vote (Mr. King: Yes, Ms. Reagan: Yes, Mr. Henry: Yes) [00:05:58](#).
- **00:06:20 Contract / Agreement: 2023 Road Paving Projects**
 - **Sponsor / Presenter:** Angie (Highway Department).
 - **Deliberation Summary:** Advertised for various roads in Country Village to be paved. Received one bid packet from E&N Paving covering Wilderness Road (\$40,410), Palisades Parkway (\$80,460), Ravenwood Drive (\$17,945), and Sacramento Drive (\$47,650), for a total project cost of \$186,463. This is under budget and supported by a 50% match from a Community Crossing Grant. Concrete patching will be handled in-house to save costs, followed by fabric laying, a leveling course, and a finished course.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Motion to accept the bids as presented upon Angie's final review was moved, seconded, and passed by roll call vote (Mr. King: Yes, Ms. Reagan: Yes, Mr. Henry: Yes) [00:09:21](#).
- **00:09:53 Contract / Agreement: Delaware County Building Temperature Control Upgrades**
 - **Sponsor / Presenter:** Steve Foster, Building Superintendent.
 - **Deliberation Summary:** A continuation of the building's temperature control upgrades (utilizing ARP funds). The current control software/equipment is

25<U+2013>30 years old. Because the system is proprietary (Automated Logic), work must go through Sawyer & Taylor to avoid pulling entirely new wiring, which would cost upwards of \$500,000 with other vendors like Johnson Controls. The current allocation covers the basement and partial first floor (plus louvers being installed the following day). Board members discussed reviewing the full plan before appropriating additional funds for subsequent floors.

- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Informational and administrative check-in; no formal vote taken on additional funding expansion at this moment, but work under the initial appropriation proceeds.
- **00:15:08 Administrative Discussion: Amendment to ARP Administrative Fees**
 - **Sponsor / Presenter:** Don / Ed.
 - **Deliberation Summary:** Discussed setting up a line item for salaries/administrative expenses utilizing existing ARPA funds to pay employees auditing past invoices and claims. County Attorney noted that because the overarching ARP plan already allocates funds for administrative expenses, a full plan amendment is not strictly necessary just to create an internal line item for administrative auditing work.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Consensus reached that no formal amendment to the broad ARP plan is required to establish the administrative line item.
- **00:16:59 Resolution 2023-009: Identifying Property to be Transferred to a Non-Profit**
 - **Sponsor / Presenter:** County Staff.
 - **Deliberation Summary:** A corrective resolution regarding property transfer to a non-profit. The previous resolution listed the incorrect address; the correct address is the 2600 block of South Walnut Street (replacing the prior voided address). This resolution sets up the required public hearing for April 6.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Motion to approve the resolution to initiate the process was moved, seconded, and passed by roll call vote (Mr. King: Yes, Ms. Reagan: Yes, Mr. Henry: Yes) [00:17:51](#).
- **00:18:07 Department Head Updates & Claims**
 - **Active Shooter Training:** Chief Deputy Jeff Stanley discussed coordinating with Captain Tony Johnson to schedule active shooter training classes during daytime hours for county offices, the Justice Center, health department, and highway department [00:18:48](#).
 - **Polling Sites / Schools:** County Clerk Rick Spangler updated the board regarding school concerns over serving as vote center locations. He is actively working on alternative locations to comply with state deadlines while minimizing burdens on local schools [00:19:48](#).

- **Payment of Claims:** Claims presented totaled \$1,187,728.68 and \$10,804.00. Motion to approve claims was moved, seconded, and passed by roll call vote (Mr. King: Yes, Ms. Reagan: Yes, Mr. Henry: Yes) 00:21:02.
-

5. Open Public Comment / Citizen Forum

- 00:22:18 **Brian Huffman** (5220 North County Road 500 West)
 - Addressed road maintenance concerns on the four-mile stretch between 332 and Highway 28. Noted standing water issues causing chuckholes and degradation within two years of past paving. Offered to assist with simple shovel work alongside summer interns and asked the board to consider improved ditch drainage and maintenance in upcoming road budgets. Highway Superintendent Troy noted the stretch is scheduled for maintenance layers and dirt-patching this year, though delayed temporarily by backhoe diesel exhaust fluid (DEF) equipment failures. Commissioners authorized immediate equipment replacement if necessary.
-

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - Commissioners gave a public shout-out and thank you to Donna Patterson, who is retiring, noting her retirement reception is scheduled for the following Monday from 1:00 PM to 3:30 PM 00:27:02.
 - **Adjournment:**
 - A motion to recess was moved, seconded, and approved by roll call vote (Mr. King: Yes, Ms. Reagan: Yes, Mr. Henry: Yes) 00:27:39. Meeting placed into recess.
