00:02:46 Resolution 2023-004: Kaleidoscope Kids Utility Infrastructure Request

- **Sponsor / Presenter:** Presented by staff and Janelle (petitioner/business owner).
- **Deliberation Summary:** Janelle, a local childcare provider of 35 years serving 120 children, presented a project to build a new commercial childcare facility at the corner of More and Wheeling (accommodating birth to fifth grade). The overall project cost has grown from \$2 million to \$3.5 million. Utility infrastructure costs (water, sewer, etc. coming from Wheeling down More Road) total \$500,000. The request asked the commission to support the project with 50% of utility costs (\$250,000) funded via the Morrison Road TIF District. Board members reviewed facility renderings, floor plans, and confirmation of securing private financing and land purchase.
- **Item-Specific Public Input:** Janelle spoke regarding her deep local roots, community daycare shortages, and the critical need for expanded childcare capacity to support the local workforce.
- **Action & Vote Disposition:** Approved by Voice Vote.

00:07:21 Rails to Trails Payoff Discussion

- **Sponsor / Presenter:** Staff / Board.
- **Deliberation Summary:** Discussion regarding the impending lease sale of Rails-to-Trails and an existing bond issue associated with it. There are sufficient funds coming into the board to undertake and facilitate the payoff of the approximately \$1.5 million bond. Board members briefly noted that paying off the bond will make the area taxable and potentially open capacity for a new bond issue to fund future local improvements like bridges and streetlights.
- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Moved and approved to proceed with facilitating the bond payoff by Voice Vote.

00:09:28 23rd Street Sidewalk Trail Right-of-Way (ROW) Update

 - **Parcel 2:** Secured and recorded.
 - **Parcel 3:** Awaiting estimates regarding gate relocation and fencing; Brad is reviewing.
 - **Parcel 4:** Awaiting estimates for a direct access drive and fence.
 - **Parcel 5:** Ready to be recorded within the week. A minor issue regarding a Norfolk Southern easement/crossing permit is being investigated.
 - **Parcel 6:** Secured and recorded. The project is about halfway complete with cooperation from property owners.
- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Informational update only; no formal board vote required.
