4. Substantive Business & Board Action

- **00:00:58 Election of Vice President**
 - **Sponsor / Presenter:** John (Legal Counsel)
 - **Deliberation Summary:** Counsel explained that a recent Indiana legislative session (effective July 1) mandates that the vice president of a Redevelopment Commission must be of the opposite appointing authority of the president. Because the current president is a commissioner appointment, the vice president must be one of the two members appointed by the County Council.
 - **Action & Vote Disposition:** Carrie Whittier was nominated, seconded, and elected as Vice President by voice vote. Additionally, Angie Moyer was nominated and approved as Secretary by voice vote.
- **00:03:27 Presentation: Muncie Magazine Proposal**
 - **Sponsor / Presenter:** Jeff Hearn, Owner of Muncie Magazine
 - **Deliberation Summary:** Jeff Hearn presented an overview of Muncie Magazine (franchised from Compass Media), which prints and mails approximately 25,000 copies monthly to homeowners with properties valued over \$150,000 and every business in Delaware County (2,250+). He suggested the county could utilize quarterly insert pages (similar to the City of Muncie or Boone County) to communicate projects and updates to constituents. Costs and logistics (such as utilizing county press releases and photos) were discussed.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** **00:10:52** Approved by voice vote to take the proposal under advisement for further discussion at the next meeting.
- **00:11:25 Resolution 2022-11: Industrial Center TIF Expansion**
 - **Sponsor / Presenter:** John (Legal Counsel) / Board Members
 - **Deliberation Summary:** Counsel presented an amended resolution updating the name of the TIF district to prevent confusion and adding empty parcels on 400 South (near Filtrac, including 10 acres to the south and 15 acres to the east) for potential industrial or commercial expansion extending out toward County Road 600 West along State Road 67. Board members noted that existing industrial park spaces are filling up due to high demand and large facility inquiries, necessitating room for future growth.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** **00:14:01** Approved by voice vote. The resolution will be forwarded to the Plan Commission for its August agenda and subsequent public hearings.
- **00:14:23 Request for Proposals (RFP): Former Lee's Amoco Property**
 - **Sponsor / Presenter:** Brad (Staff)
 - **Deliberation Summary:** Staff reported that three years of Brownfield monitoring work at the former Lee's Amoco station in Daleville (Northwest corner of

State Road 32 and Walnut Street) is nearing completion, and a “comfort letter” is being requested from IDEM. A company has expressed interest in building a convenience store at the location and requested an RFP. Issuing the RFP allows this company and any other interested businesses to submit proposals.

- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** 00:15:39 Approved by voice vote to release the request for proposals.
- 00:15:55 **Baker Tilly Engagement Letter**
 - **Sponsor / Presenter:** Staff
 - **Deliberation Summary:** Staff presented the standard Baker Tilly engagement letter to assist the commission with financing related to a rail spur bond payoff and new bond issuance in the Park One area.
