This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

Municipal Meeting Summary Report

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Presiding officer called the November 12th Drainage Board meeting to order [00:04:46](#).
- **Attendance:**
 - Members present: Mr. Whitehead, Mr. Hamilton, Ms. Rian, Mr. Christie, Mr. Buckle, and Mr. Bgers (Murphy/Bgers noted in roll call).
 - Presiding officer and members participated in opening procedures and voting.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The board held a moment of silence for a fallen deputy and local deputies serving the community [00:04:49](#), followed by the Pledge of Allegiance with remembrance for veterans [00:05:12](#).
- **Approval of Minutes:** The minutes of the October 8th meeting were reviewed and approved by roll call vote ([00:06:09](#)).

4. Substantive Business & Board Action

- [00:06:23](#) **Table of Business: The Arnold Claim**

- **Sponsor / Presenter:** County Surveyor.
 - **Deliberation Summary:** The surveyor discussed the revised bid amount from JJC/Arnold regarding work done on the Racer Ditch prior to and after Arnold's intervention. Fair market value changes resulted in a revised amount of \$5,588 for the work performed.
 - **Action & Vote Disposition:** Motion made and supported to approve payment of \$5,588 to Mr. Arnold for his work, incorporated into claims (00:07:20).
- **00:07:54 New Business: Carpentry Union Tile Tie-In Request**
 - **Sponsor / Presenter:** County Surveyor.
 - **Deliberation Summary:** A request was presented from the Carpentry Union building (near the bypass at Centennial) to run a 4-inch perimeter drain line from a new septic system into the Holt tile (an 18-inch tile) along the bypass. The surveyor provided a favorable recommendation, noting recent improvements to the tile's flow.
 - **Action & Vote Disposition:** Motion to approve the tie-in made and seconded; approved by roll call vote (00:09:30).
- **00:09:51 New Business: Tony Kirkham Bridge Request**
 - **Sponsor / Presenter:** County Surveyor.
 - **Deliberation Summary:** The surveyor presented an email request from Tony Kirkham to construct a bridge over the Peach Shoemaker drain along State Road 32. The bridge addresses a safety concern by allowing the property owner to mow the back portion of his property without navigating a dangerous hill on SR 32. The bridge will be above the high water mark, and the owner will sign a bridge acknowledgement accepting full maintenance responsibility.
 - **Action & Vote Disposition:** Motion to accept made and seconded; approved by roll call vote with Mr. Hamilton abstaining (00:11:05).
- **00:11:18 New Business: Conversion of Mutual Drain to Regulated Drain (Mr. How / County Road 700)**
 - **Sponsor / Presenter:** County Surveyor and David How.
 - **Deliberation Summary:** Discussion regarding converting a small mutual drain / side ditch along County Road 700 into a regulated legal drain so maintenance funds and right-of-entry can be utilized to address flooding and levy breaches.
 - **Item-Specific Public Input:**
 - **00:12:44 David How** (12261 South County Road 600 West, farm tenant): Spoke in favor of the conversion, noting landowners were notified, one phone call was received from Jim Swingley (who favored the process and requested dredging of Hog Creek across the road), and explaining that current water flow cannot be managed under the mutual drain status.
 - **Action & Vote Disposition:** Motion made and seconded to convert the mutual drain into a regulated drain; approved by roll call vote (00:18:08).
- **00:18:21 Old Business / Follow-up: Reconstruction of the Newly Regulated Drain**
 - **Sponsor / Presenter:** County Surveyor.

- **Deliberation Summary:** Following the conversion to a regulated drain, the board discussed next steps for reconstruction. The surveyor noted a petition is already on file and recommended waiting to obtain a formal legal description (via a hired land surveyor) until *after* the reconstruction process to avoid paying twice if the scope expands. Letters will be sent out for next month's meeting.
- **Action & Vote Disposition:** Motion made and seconded to move forward with the reconstruction process of the newly regulated drain; approved by roll call vote (00:19:24).
- **00:20:51 Old Business: Debrushing List & Maintenance Priority**
 - **Sponsor / Presenter:** County Surveyor.
 - **Deliberation Summary:** The surveyor reported that the debrushing list is partial because standing corn prevented walking certain sites. He recommended quoting out debrushing projects (including Country Village and Hyatt ditch, plus bottleneck areas in Farmington and chronic logjam sites) in January to secure better contractor pricing.
 - **Action & Vote Disposition:** The board requested the surveyor send out the prioritized maintenance list and photographs as soon as available, to be acted upon at the December meeting.

5. Open Public Comment / Citizen Forum

(Note: General public comment call was opened at 00:07:35, with specific testimony on the mutual drain conversion provided by David How at 00:12:44. No separate open forum speakers addressed the board during the general comment window.)

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - Board members discussed recent travel to the Allen County Surveyor's Office 00:24:35.
 - The board agreed to schedule an **Executive Session** immediately following the December regular drainage board meeting, with required public notice to be advertised 00:25:00.
 - Board member raised an inquiry regarding a potential county tile across from Reynolds Farm Equipment concerning a proposed gas station; the surveyor agreed to check older maps 00:26:37.
 - **Maintenance Claims:** Presented and adopted as presented via roll call vote (00:28:00).
 - **Adjournment:** Motion to adjourn made and seconded; approved by voice vote (00:28:23).
