Meeting Date: November 17, 2025

Meeting Time: 9:00 AM

1. Pre-Hearing & Public Hearings

- **Session Type & Topic:** Public Hearing: Petitions to Vacate Bridges and Roads [00:02:57](#)
- **Summary of Discussion:**
 - **Item 1:** A bridge on the ~1100 block of East Wade Street (behind the Muncie Sanitary District new offices on Martin Luther King). Categorized under county bridge inventory as a Category 1 critical structure (Bridge #507), unused for over a decade.
 - **Item 2:** Approximately 1,700 feet of roadway/bridge on County Road 200 West, north of County Road 400 South (from the creek north to the dead-end at the bypass). Categorized under county bridge inventory as a Category 2 critical structure (Bridge #190), used only for farming access.
 - **Public Testimony:**
 - Mara Hoffwood (representing the Miller family property owners) [00:05:09](#) noted the family plans to auction 218 acres across five tracks in January and requested the 200 West vacation be tabled until March or April to accommodate potential multiple buyers. She also noted an independent

engineering review showed the bridge in good condition with no weight restrictions.

- Joshua Daring (property owner) 00:06:21 inquired about the precise location of the East Wade Street bridge relative to his property. Staff clarified the bridge boundaries and noted the county only holds right-of-way use, which reverts to adjacent owners upon vacation.
