Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

1. Pre-Meeting Hearings & Committee Work Sessions

- **Session Type & Topic:** Public Hearing on proposed trail project [00:00:24](#).
- **Summary of Discussion:** The board opened a statutory public hearing regarding a planned local trail. A local property owner testified regarding potential property restrictions, access rights, signage, and snow removal responsibilities. Representatives confirmed that property owners will have access to use the trail for exercise and connectivity, and the county is willing to work with residents on property integration. County representatives noted that trail snow removal would be handled by the county highway department as part of broader maintenance, though it would not be the top priority compared to local roads. The project is anticipated to go out for bidding in September. Receiving no further public comments for or against, the public hearing was concluded.

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The Delaware County Redevelopment Commission meeting was called to order by the presiding officer on March 14 (incorrectly opened as February 14 before being corrected) [00:00:06](#).
- **Attendance:**

- *Presiding Officer / Board Members:* Present and participating (specific individual roll call names not explicitly stated in the opening transcript, though participants included board attorney/advisors Brad and Joe, Sam Weber, and Commissioner King).
 - *Absent:* Not explicitly noted.
-

3. Preliminary & Procedural Business

- **Ceremonial Openings:** None explicitly recorded in the transcript text.
 - **Approval of Minutes:** The minutes from the February meeting were presented, motioned, seconded, and approved [00:04:37](#).
-

4. Substantive Business & Board Action

- [00:04:48](#) **Confirmatory Resolution 2019-04**
 - **Sponsor / Presenter:** Financial advisor / Board staff.
 - **Deliberation Summary:** This resolution represented the final approval step for economic development plan amendments adopted in January, confirming the territory resolution that added project descriptions to the economic development plan.
 - **Action & Vote Disposition:** Approved by Voice Vote [00:05:26](#).
- [00:05:29](#) **Pledge Resolution (Jail Project Funding)**
 - **Sponsor / Presenter:** Financial advisor / Board staff.
 - **Deliberation Summary:** The resolution pledges an amount not to exceed \$3.5 million in revenue from the industrial center economic development area towards costs related to the county jail project. Remaining funds after substantial completion are to be returned to the Commission. Staff reviewed cash flow projections, noting an estimated first draw of \$2.9 million next month and a second draw of \$600,000 around substantial completion in 2021, fully supported by expected tax draws and fund balances.
 - **Action & Vote Disposition:** Approved by Voice Vote [00:09:26](#).
- [00:09:28](#) **Joint Interlocal Agreement Resolution**
 - **Sponsor / Presenter:** Board staff / Financial advisor.
 - **Deliberation Summary:** Approves the form of a joint interlocal agreement between the County Commissioners and the Delaware County Advisory Council, with the RDC consenting and agreeing to its terms in connection with bond issuance for the trail project or pledge of CREED revenues.
 - **Action & Vote Disposition:** Approved by Voice Vote [00:10:16](#).
- [00:10:18](#) **Save-A-Lot and PRL Bond Payoff Discussion**
 - **Sponsor / Presenter:** Financial advisor / Staff.

- **Deliberation Summary:**
 - *Save-A-Lot Bonds*: Outstanding principal is \$195,000 with \$205,000 sitting in the bond and reserve funds maturing next February. Staff recommended exercising the 7-day notice to pay off the bonds early in August, saving approximately \$5,800 in final interest.
 - *PRL Bonds (2015)*: Outstanding principal is approximately \$2.17 million. Staff explored early payoff to utilize fund balances, but Star Bank cited a “funding indemnification amount” (penalty/loss of margin) totaling \$691,109.65 under the bond purchase agreement. While early payoff would still net roughly \$100,000 in overall interest savings across the remaining life of the bonds, bank representatives stated there is no room for negotiation on the penalty. No formal final action was taken to redeem the PRL bonds at this time.
- **Action & Vote Disposition:** Informational discussion; direction given to staff to proceed with the Save-A-Lot bond payoff notice [00:11:49](#).
- **[00:21:01](#) Delaware Community Schools Infrastructure & Drainage Request**
 - **Sponsor / Presenter:** School Corporation Representatives (including former superintendent / project manager Mike).
 - **Deliberation Summary:** Representatives presented a request for residential pass-through funding (historically tracked from 1994 to 2010) to assist with unexpected school drainage and safety/traffic infrastructure issues. Due to unforeseen soil saturation and peat bog issues at the high school/gymnasium site, additional stone columns and a drainage system connecting to the creek are required (estimated at \$80,000<U+2013>\$100,000). Additionally, they requested consideration for a front-drive bus loop and parking improvements to enhance student safety by centralizing drop-off points.
 - **Action & Vote Disposition:** Informational presentation; board requested school representatives return in April with refined survey and cost designs [00:32:04](#).
- **[00:35:24](#) Morrison Sidewalk Project - Landscape & Irrigation Subcontractor Credit**
 - **Sponsor / Presenter:** J.crew / United Construction representatives.
 - **Deliberation Summary:** Representatives discussed a reconciled credit regarding the cancellation of an automated irrigation system component on the Morrison sidewalk project. After evaluating maintenance burdens, winterization requirements, and water meter installations, the board and contractors agreed to abandon the active irrigation installation in favor of retaining necessary conduits under Bethel Avenue. A negotiated credit adjustment of over \$20,000 was structured into the project closeout.
 - **Action & Vote Disposition:** Consensus reached on credit reconciliation; formal change order to be processed [00:44:20](#).
- **[00:46:02](#) International Economic Development Travel Contract (Germany Trip)**
 - **Sponsor / Presenter:** Mark Slusher / Board leadership.

- **Deliberation Summary:** Following the success of a prior trip to Italy that attracted an Italian manufacturing company to Delaware County, the board considered a professional services contract with Yang Wiedemann (IECC German contact) totaling approximately \$9,000 to coordinate a trade mission to Germany from April 11<U+2013>17. The delegation (including Commissioner King) aims to market the county's shell building to German prospects. Funding would be drawn from the adjacent TIF district.
- **Action & Vote Disposition:** Approved by Voice Vote [00:50:31](#).
- **00:45:00 Morrison Road Sidewalk Project Change Order No. 4**
 - **Sponsor / Presenter:** Project staff / Engineering.
 - **Deliberation Summary:** Review of Change Order No. 4 totaling \$14,583.83 for additional signal work and pedestrian crossing flashing lights at Morrison Road and the adjacent island to improve traffic and pedestrian safety.
 - **Action & Vote Disposition:** Approved by Voice Vote [00:52:33](#).

5. Open Public Comment / Citizen Forum

(Note: General public comments were integrated into the public hearing session at the start of the meeting regarding trail properties [00:00:35](#); no separate general citizen forum was held at the conclusion.)

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - The board noted that there will be no regular meeting in April [00:32:04](#).
 - A newly produced marketing video targeting Italian and German investors<U+2014>narrated by Ball State University psychology professor Daniel Hardy<U+2014>was previewed for the commission [00:53:00](#).
- **Adjournment:** The meeting was adjourned following a motion and second, with all members voting in favor [00:10:37 / 01:00:35].
