### 00:21:35 Ordinance 2019-11: Rezoning Request (R1 to BV)

- **Sponsor / Presenter:** Marty Moody, Executive Director of the Delaware-Muncie Metropolitan Plan Commission (DMMC); William Hughes (Attorney representing Muncie First Church of the Nazarene).
- **Deliberation Summary:**
  - Request to rezone approximately 5.84 acres of vacant land on the north side of Mallard Road (East of Neil Road, adjacent to Muncie First Church of the Nazarene) from R1 (Residence Zone) to BV (Variety Business Zone).
  - Marty Moody reported that the Plan Commission forwarded the item with an *unfavorable* recommendation (5-1 vote, 3 absent).
  - Attorney William Hughes presented on behalf of the church, noting the land is under conditional sale to BSB Enterprises for commercial use. Proposed binding commitments include building an earth berm along the northern boundary, restricting vehicular access exclusively from the west (via Meijer/commercial drives rather than Burgess Road or Benton Road), and improving local drainage/retention ponds.
- **Item-Specific Public Input (00:34:57):**
  - **Rich Swingley (3304 N. Harrison Rd):** Voiced concerns over lack of knowledge regarding the exact end-use, potential light/sound pollution from digital signs, overnight truck traffic, and added runoff/asphalt on swamp-like soil.
  - **Linda Hansen (League of Women Voters):** Spoke against the rezoning, emphasizing adherence to comprehensive corridor standards, aesthetic quality, and the rule requiring exact stated uses for rezonings.
  - **Al Williams (3400 block N. Burgess Rd):** Retired police officer and 28-year resident; urged protection of the quiet residential neighborhood, citing narrow roads, drainage issues, and litter.
  - **Clark Vessle (3301 N. Burgess Rd):** Immediate neighbor of 53 years; stated Meijer representatives indicated no formal access agreement exists for trucks to cut across Meijer property, raising concerns over traffic being funneled into residential streets and being boxed in by earth berms.
  - **George Shigley (3301 N. Benton Rd):** Noted other available commercial properties already exist in the area without encroaching on neighborhoods.
  - **Joe Scagnoli (3301 N. Harrison Rd):** Noted that unlike other commercial strips along the corridor, this site directly abuts established residential homes.
- **Action & Vote Disposition:** Motion made and seconded to approve Ordinance 2019-11 with attached commitments. **Passed 2-1** (Roll call: Mr. Kane - Yes, Mr. Henry - Yes, Mr. Reagan - No).

#### 00:34:36 Resolution 2019-8: South Side Trail Project Concurrence

- **Sponsor / Presenter:** Presented by the board.
