2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Called to order by the presiding officer at approximately [00:00:11](#), Monday, August 5, 2019.
- **Attendance:**
 - **Members Present:** Mr. King, Mr. Henry, and Ms. Regan.
 - **Presiding Officer:** Identified through proceedings.
 - **Absent:** None noted in transcript.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** Opening remarks included a moment of remembrance for neighbors to the east and south [00:00:18](#).
 - **Approval of Minutes:** Minutes from the July 15 meeting were presented and approved (Motion carried by voice vote / roll call sequence: Mr. Henry - yes, Mr. King - yes, Ms. Regan - yes) [00:07:54](#).
-

4. Substantive Business & Board Action

- [00:02:18](#) **Removal from Table & Consideration of Plat (ABCDG)**
 - **Sponsor / Presenter:** Board members / Andrew Roselle (AR Engineering).
 - **Deliberation Summary:** The board discussed taking the plat off the table after it was previously tabled during the second meeting in July. Andrew Roselle of AR Engineering represented the project, noting that approval would create a building site and that any access to 300 North would be subject to a driveway permit, ditching work, and associated requirements.
 - **Action & Vote Disposition:** Motion to remove from the table and subsequent discussion occurred. (Note: A separate motion to deny a Dollar General proposal on State Road 167 was later introduced due to concerns regarding maintenance, litter, and parking lot conditions at existing locations. The denial vote was recorded as: Mr. King - yes, Mr. Henry - yes, Ms. Regan - yes) [00:06:24](#).
- [00:08:07](#) **Land Resource Bank / Fair Board Table Item**
 - **Sponsor / Presenter:** Linda Munich (referenced) / Board members.
 - **Deliberation Summary:** Discussion regarding an ADA study, maintenance supervision, and clean-up involvement with the fair board. Because key personnel were not present and details regarding the ADA study and maintenance responsibilities were unclear, the board opted to table/remove the item to allow for a direct discussion between Angie, Phillip Abbas, and the fair board maintenance supervisor.
 - **Action & Vote Disposition:** Approved by Voice Vote / Roll call to remove from table: Mr. Henry - yes, Mr. King - yes, Ms. Regan - yes [00:09:51](#).
- [00:10:11](#) **Drainage Application Variance Request (Randall Miller Associates)**
 - **Sponsor / Presenter:** Representative from Randall Miller Associates / County Engineer.
 - **Deliberation Summary:** Randall Miller Associates applied for a drainage application and hydraulic plans, requesting a variance from county engineering standards. The variance requested permission **not** to install an under-drain in a proposed dry pond infiltration trench located in the southwest corner of the property. The County Engineer reviewed the plans and recommended approval, noting that since the

design infiltrates groundwater rather than discharging to a storm sewer or creek, an under-drain is unnecessary.

- **Action & Vote Disposition:** Approved by Voice Vote [00:13:07](#).
- [00:13:27](#) **Ordinance 2019-01: Standard Grant Fund Establishment (First Reading)**
 - **Sponsor / Presenter:** Board introduction.

 - **Deliberation Summary:** Chief Probation Officer Jeff Hansen reported that the probation department was awarded technical assistance funding (\$1,500) from Indiana Court Services and the University of Cincinnati to develop incentives and sanctions ("sticks and carrots") programs for probation clients. The ordinance establishes a dedicated fund to deposit these state-received funds.
 - **Action & Vote Disposition:** Rules were suspended, and Ordinance 2019-015 was adopted by roll call vote (Mr. Henry - yes, Mr. King - yes, Ms. Regan - yes) [00:15:47](#).

The lease includes a \$1-dollar purchase/option period that can be exercised at the end of the lease term. Commissioners discussed and agreed to exercise this option.
 - **Action & Vote Disposition:** Approved by roll call vote (Mr. Henry - yes, Mr. King - yes, Ms. Regan - yes). Commissioners agreed to send formal written notice to the property owner [00:17:03](#).

5. Open Public Comment / Citizen Forum

- [00:18:19](#) **James Rogers (Citizen / Community Member):** Brought forward concerns regarding the City of Muncie's new municipal EMS service rollout and the lack of formal interlocal agreements or communication with the county.
