Municipal Meeting Summary Report

1. Pre-Meeting Hearings & Committee Work Sessions

- **Attendance:**
 - **Present (Board Members/Commissioners):** Mr. Henry (Presiding Officer / Commissioner), Mr. King, and Ms. (or Mr.) Regan.
 - **Absent:** None noted in the transcript.

3. Preliminary & Procedural Business

4. Substantive Business & Board Action

- **00:00:55 United Way Community Campaign Presentation**
 - **Sponsor / Presenter:** Pamela Cameron (HR Director), joined by Liz Lemon and Damon Elmore (Muncie Power Products / Campaign Co-Chairs), and Jenny Marsh.
 - **Deliberation Summary:** Representatives presented an overview of the United Way campaign, highlighting local household financial vulnerability ("ALICE" report data indicating nearly half of Delaware County households struggle to make ends meet, and 21% live in poverty). They outlined a bold goal focusing on third-party reading metrics, grade-level reading initiatives, family wraparound services, and operational transparency (noting overhead is fully covered by foundation grants so 100% of donations go to direct impact). Upcoming events include a concert on Walnut Street on September 5th and a Day of Action on September 6th.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational presentation only; no formal board action required.
- **00:10:39 AR Engineering / Dollar General Plat & Right-of-Way Discussion**
 - **Sponsor / Presenter:** Mara Hotham (Attorney, representing AR Engineering) and Andrew Rozelle (Engineer).
 - **Deliberation Summary:** Counsel argued that the plat committee granted unanimous approval after meeting all 12 pages of development standards, and that the board's acceptance of an additional 17 feet of right-of-way is a ministerial act. Developers noted they are willing to remove any ingress/egress on County Road 300 if traffic impact is a primary concern. Board members and legal counsel discussed whether denying the right-of-way constitutes a denial of the underlying plat, which would force an appeal to the Plan Commission.
 - **Item-Specific Public Input:**
 - **00:13:53 John (Resident, living across the street):** Voiced strong opposition regarding narrow, unpaved roads (County Road 300), lack of shoulders, potential damage from daily semi-truck traffic, and increased accident risks near Route 67.
 - **00:16:15 Don Handsome (Adjacent Property Owner):** Objected to the proximity of the building to his property line, noise/air conditioning units, potential weed-grown drainage basins, and overall lot layout/shoehorned design. Submitted a petition from immediate neighboring landowners who are unanimously against the project.

- **Action & Vote Disposition:** Extensive discussion held regarding the procedural nature of right-of-way acceptance versus subdivision plat denial; no final vote tally recorded on this specific item during this segment.
- **00:25:03 LPA Consulting Contract: Bridge 127 Project**
 - **Sponsor / Presenter:** County engineering staff / Administration.
 - **Deliberation Summary:** Review of the LPA consulting contract for the replacement of Bridge 127 located on 600 South, with a not-to-exceed amount of \$165,200.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Motion made and seconded to approve the LPA consulting contract. Approved by Voice Vote.
- **00:25:35 Ordinance No. 2019-416 (Second Reading / Adoption): Delaware County Tax Sale Code**
 - **Sponsor / Presenter:** County administration / Legal.
 - **Deliberation Summary:** Presentation of Ordinance Number 2019-416, an ordinance amending Section 1-7 of the Delaware County Code regarding Delaware County tax sales.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Motion made and seconded for second reading/introduction. Followed by a motion to adopt. Approved via Roll Call Vote (Mr. King: Yes, Mr. Henry: Yes, Ms. Regan: Yes).
- **00:26:49 Amended Edit Plan (2019<U+2013>2022) for Bridge Project Change**
 - **Sponsor / Presenter:** County staff / Andy.
 - **Deliberation Summary:** Presentation of the first amended edit plan for 2019<U+2013>2022 to shift funding for Project 14 (Tigers Driving Bridge) from 2020 to 2019 to cover bills due in the current year.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote (noted affirmatively by Ms. Regan and commissioners).

5. Open Public Comment / Citizen Forum

- **00:29:53 Fred Bookout (Delaware County Economic Development / Citizen):**
Discussed communications regarding the WSP facility and Heritage environmental plans, noting that the project shifted from the county to the City of Muncie once municipal incentives/locations were involved. Commissioners expressed a desire to conduct due diligence, review environmental questionnaires, tour facilities, and involve the Health Department (Jamie Bain) regarding potential air emissions and protective county ordinances.
- **00:41:23 Matt (Highway / Maintenance Department):** Reported on highway and road maintenance challenges, noting heavy expenses for culverts damaged by farm equipment

and blocked drainage caused by corn stalks and bean stubble during heavy rains. Praised the performance of the county's chip-and-sealing and paving crews.
