3. Substantive Business & Board Action

00:01:26 State Grant Applications & Funding Agreements

- **Sponsor / Presenter:** Jane Miranda, Communications
- **Deliberation Summary:** Jane Miranda presented information regarding an upcoming state drug grant utilizing federal funds. The \$60,000 grant (renewable for next year) will fund a peer recovery specialist at Community Corrections for jail release, probation, and court populations. The second half of the grant will fund either five treatment beds at Voices of America in Winchester, a peer recovery specialist, or a new correctional officer at the jail to monitor classroom programming and recovery meetings (AA/NA). Miranda also noted an unusual juvenile family recovery court grant where funds (\$3,000 for three participating parents in family reunification) arrived unexpectedly via award letter before formal notice, requiring board backtracking for approval. Finally, a juvenile court reform grant was discussed to subsidize the payroll coordinator, utilizing the same federal funding number as previously established.
- **Action & Vote Disposition:** Approved by Voice Vote.

00:06:52 Emergency Management & Fire Department Interlocal Discussion / Hamilton Township Station

- **Sponsor / Presenter:** Jason Rogers, Emergency Management Director
- **Deliberation Summary:** Jason Rogers reported a lack of contact from the Muncie Fire Department regarding initial meetings. Anticipating potential reductions in force or station closures, Rogers recommended proactively vacating the Hamilton Township station on North Wheeling and relocating that truck to Muncie Station 1 to maintain flexibility and response capabilities. He also noted discussions regarding Gaston trying to get their truck back in service. Rogers stated he requested an official interlocal agreement from Muncie regarding ALS intercepts and response assignments, but has not yet received a formal written response.
- **Action & Vote Disposition:** Motion made and approved by Voice Vote to authorize operational adjustments and flexibility.

00:12:54 Fiddler Technologies Software Backup Contract

- **Sponsor / Presenter:** County Recorder / Staff
- **Deliberation Summary:** Presented a contract with Fiddler Technologies (the software vendor used for recording documents) to establish a complete backup host of all county documents. In the event of an operational failure at the local site, internet access would allow full restoration and operation within four hours. Funds for the contract will be drawn from the Recorder's perpetuation fund.
- **Action & Vote Disposition:** Approved by Voice Vote.

00:13:52 Ordinance 2019-02: Fund Establishment / Budget Action

- **Sponsor / Presenter:** Board / Staff

- **Deliberation Summary:** The board introduced Ordinance 2019-02 (first reading). Noting that funds were already secured, a motion was made to suspend the rules to immediately adopt the ordinance.

00:14:47 Resolution 2019-29: Designation of Vote Centers

- **Action & Vote Disposition:** Approved by Voice Vote.

00:15:33 Resolution 2019-31: Sale of Remaining Tax Sale Properties in Mass

- **Sponsor / Presenter:** Staff / Treasurer's Office
- **Deliberation Summary:** This resolution concerns the sale of remaining properties that went unsold at prior tax sales. An entrepreneur approached the county to purchase the remaining properties in mass for a lump-sum amount. Adopting the resolution initiates a statutory publication process, allowing competing bids to be submitted on or before 9:00 AM on October 7th.
- **Action & Vote Disposition:** Approved by Voice Vote.

00:17:11 Resolution 2019-32: Termination of Collective Bargaining Agreement with IAFF Local 1348 (EMS)

- **Sponsor / Presenter:** Board / Legal Counsel
- **Deliberation Summary:** The collective bargaining agreement with EMS employees represented by International Association of Firefighters (IAFF) Local 1348 expires on December 31, 2019. Article 40 requires 90 days' notice of intent to terminate. Because EMS employees have left Local 1348 and no active bargaining unit employees remain under coverage, maintaining the agreement is unnecessary. Adopting the resolution authorizes a formal termination letter to the union president, ending the agreement on December 31, 2019.
