3. Substantive Business & Board Action

- [00:02:01](#) **Riley Pond Subdivision Plat & Road Right-of-Way Dedication**
 - **Sponsor / Presenter:** Cathy Knight, Surveyor.

- **Deliberation Summary:** The presenter shared a copy of the plat for the Riley Pond subdivision, which requires the dedication of road right-of-way to the commissioners. The project involves dividing off a house with a small lot extension, creating two lots (one containing the house and part of the pond, and another retaining property behind the house) because the parcel does not meet a five-acre threshold.
 - **Action & Vote Disposition:** Approved by Voice Vote (Motion made and seconded: *"I make a motion we approve the request"*).
- **00:03:14 LPA Consulting Contract for Bridge Replacement**
 - **Sponsor / Presenter:** County staff / Department representative.
 - **Deliberation Summary:** A standard Local Public Agency (LPA) consulting contract for right-of-way services related to the bridge replacement project over North Delaware Creek. The project is backed by INDOT, providing an 80% reimbursement rate not to exceed \$40,000.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:04:01 Recording Equipment Maintenance Annual Contract**
 - **Sponsor / Presenter:** County staff / Department representative.
 - **Deliberation Summary:** Annual maintenance contract renewal for existing recording equipment. Despite a new clerk out juvenile, the vendor maintained the prior pricing structure.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:04:42 Ordinance Amending Delaware County Code Title 4: Contractor Registration Fees**
 - **Sponsor / Presenter:** Marta Moody, Executive Director of the Plan Commission (with research input from Tom Foutch, Building Commissioner).
 - **Deliberation Summary:** An ordinance presented for its first reading to amend Title 4 of the Delaware County Code, which governs building commissioner functions and permitting. The proposal raises contractor registration fees<U+2014>which have remained unchanged since 2013<U+2014>bringing them closer to surrounding county averages. New registrations would increase from \$60 to \$100, and renewals would increase from \$45 to \$75 (a \$30 increase). Because this amends the County Code rather than zoning, it goes straight to the commissioners.
 - **Action & Vote Disposition:** First reading conducted / advanced for consideration.
- **00:07:35 Amended Resolution for Economic Development Joint Projects with Yorktown**
 - **Sponsor / Presenter:** County staff / Commissioner King.
 - **Deliberation Summary:** An amended resolution following up on a resolution adopted at the previous meeting concerning joint economic development projects with the Town of Yorktown, which has been combining some of its districts following meetings with county officials and Commissioner King.

- **Action & Vote Disposition:** Approved by Voice Vote (Motion made and seconded: "I'll make a motion to approve").
- **00:08:18 Payment of Claims**
 - **Sponsor / Presenter:** Department officials.
 - **Deliberation Summary:** Presentation of the periodic claims docket for board review and authorization.
 - **Action & Vote Disposition:** Approved by Voice Vote for the payment of claims totaling **\$3,418,035.31**.
