- **[011:37] Public Notice & Opening of Bids: Paving Projects**

 - **Deliberation Summary:** The board publicly opened and logged bids received prior to noon for county paving and road projects:
 - *Bid Set 1 (Indiana / Willing Workers / Eaton Wheeling Pike packages):*
Received from E&B Paving (Base bid: \$1,633,930.71; various alternate and

specific route breakdowns noted, including Willing Workers base at \$951,564.52 with a \$47,802.28 alternate, and Eaton Wheeling Pike at \$682,365.59) and Price Creek / local contractors (Eaton Wheeling Pike base bid logged at \$625,244.70; other associated route segments logged at \$886,541.30 with a \$46,161.00 alternate).

- **Action & Vote Disposition:** Bids accepted and taken under advisement for review.
- **00:15:48 Road Right-of-Way Dedication (Neeley Property)**
 - **Sponsor / Presenter:** Highway/Planning staff.
 - **Deliberation Summary:** Staff discussed dedicating all right-of-way on the Neeley property (covering an 80-acre or 75-acre tract) via a separate legal document rather than the plat itself. This separation prevents right-of-way from automatically reverting to the lot owner if a future road vacation occurs. Staff noted coordination with the auditor's office.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:17:13 IT Network Services Contract (AT&T)**
 - **Sponsor / Presenter:** Jeffrey O'Meara, Construction Point (Indianapolis) / IT Department.
 - **Deliberation Summary:** Proposed an enterprise network service contract with AT&T connecting all Delaware County locations, providing internet access for the new Justice Center, and replacing services at the county building. The solution eliminates the need to build out costly dark fiber, providing a resilient "one-to-any" network architecture that ensures uptime if a single server room or switch fails. It also features a flexible portal allowing daily bandwidth adjustments based on county needs.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:19:57 Tax Certificate / Property Rehab (649 North Madison Street)**
 - **Sponsor / Presenter:** Walters, ECI Regional Planning District.
 - **Deliberation Summary:** Requested acquisition/action on a tax certificate for 649 North Madison Street (north of Weiser). The property has unpaid taxes dating back to 2011/2014 (\$26,474 in arrears), current owner is deceased, and it has been identified as a police nuisance property. Rehabilitation aligns with McKinley area revitalization goals. ECI also provided a positive update noting successful brownfield eliminations and tax-roll reinstatements via partnerships with IBM on properties like 501 West Jackson, 625 East Wiser, and 2501 Mount Pleasant.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:22:03 Contract to Retain Outside Legal Counsel**
 - **Sponsor / Presenter:** County Attorney's Office.
 - **Deliberation Summary:** Proposed retaining Meeks Cockrell (County Attorney in Randolph County) to represent the commissioners regarding an appeal and petition for mandate filed by the developer of the Dollar General location on route 767. The

county attorney's office declared a conflict of interest because an attorney in their office is an impacted neighboring property owner.

- **Action & Vote Disposition:** Approved by Voice Vote.
- **00:23:06 County Building Data Cabling and Infrastructure Contract (Ambit Enterprises)**
 - **Sponsor / Presenter:** IT / Infrastructure representatives.
 - **Deliberation Summary:** Solicited bids to overhaul inadequate data cabling in the county building to support modern phone systems and network hardware. Ambit Enterprises submitted the lowest bid. The project includes fiber connectivity between the basement server room and floor switch closets, workstation drops, old cable removal, and a \$5,000 contingency allowance for unexpected drops. Commissioners discussed timing concerns relative to upcoming office relocations to the new Justice Center, but staff emphasized that cabling must precede phone installation.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:29:18 Planning Commission / Building Department 3-Year Comparison Report**
 - **Sponsor / Presenter:** Barna Moody, Planning Commission Office.
 - **Deliberation Summary:** Presented a three-year comparative report on construction projects, building permits, and an increase in registered contractors, pointing to positive indicators of regional economic growth and renewed vitality.
