4. Substantive Business & Board Action

- **00:05:58 Departmental Transfers & Transfer Addendum**
 - **Sponsor / Presenter:** Auditor's office / Presiding Officer.
 - **Deliberation Summary:** The board opted to review and process standard budgetary transfers and addendums first so that department heads could return to work. Officials noted that these transfers primarily reflect personnel changes (staff departures and replacements) and have been reviewed by the auditor's office and Finance Committee. Department heads were instructed to strictly maintain or stay below their budgeted amounts, as the council signaled strong hesitation to approve additional appropriations for the remainder of the year.
 - **Action & Vote Disposition:** Various routine personnel and departmental transfers approved via roll call votes.
- **00:13:59 Building Commissioner Vehicle Purchase**
 - **Sponsor / Presenter:** Marga / Finance Committee.
 - **Deliberation Summary:** Discussion regarding replacing the Building Commissioner's current vehicle (a heavily worn 2002 model prone to breakdowns). The Finance Committee recommended an outright purchase rather than a lease option, saving over \$2,000. The motion was amended to reflect the outright purchase price of \$24,369 instead of the lease-purchase hybrid figures.
 - **Action & Vote Disposition:** Motion to amend and approve the purchase passed via roll call vote.
- **00:21:30 Comprehensive Plan Fund Appropriation**
 - **Sponsor / Presenter:** Planning Department.
 - **Deliberation Summary:** Review of the Comprehensive Plan cash fund used for INDOT and federal highway-reimbursable transportation planning activities. The appropriation covers professional consulting services, a Ball State architecture/planning graduate assistantship, and computer upgrades to avoid drawing from the general fund.
 - **Action & Vote Disposition:** Approved by roll call vote.
- **00:27:53 GIS Map Fund Appropriation**
 - **Sponsor / Presenter:** Planning / GIS Department.
 - **Deliberation Summary:** Appropriation request covering computer support (\$4,674), professional services (\$83,340), travel (\$5,331), printing (\$5,500), schooling (\$5,000), and GIS equipment (\$5,000). Minor discussion noted that software/GIS subscription costs (such as Beacon) experience occasional multi-year adjustments rather than annual spikes.

- **Action & Vote Disposition:** Approved by roll call vote [00:29:57](#).
- **00:29:57 Unsafe Building Fund Appropriation**
 - **Sponsor / Presenter:** Building Commissioner / Finance Committee.
 - **Deliberation Summary:** Discussion of cash fund usage for property demolitions and securing unsafe structures (with specific mentions of properties on 26th Street and in Oakville). The board discussed challenges regarding junk vehicles on unsafe properties and potential adjustments to general fund transfers to cover towing and cleanup processes.
 - **Action & Vote Disposition:** Approved by roll call vote [00:33:52](#).
- **00:33:52 Ambulance Replacement & Autoloading System Upgrade**
 - **Sponsor / Presenter:** Jason / Emergency Services.
 - **Deliberation Summary:** Request for emergency medical services equipment funding. The \$40,000 price increase on the replacement vehicle is due to the integration of a state-of-the-art hydraulic “autoloading” stretcher system designed to significantly reduce worker injuries, workers’ compensation claims, and physical strain on personnel. Anticipated future state adoption of triple-K manufacturing standards was also noted.
 - **Action & Vote Disposition:** Approved by roll call vote [00:37:22](#).
- **00:39:25 Capacity Building Grant & Salary Adjustments**
 - **Sponsor / Presenter:** Grant administrator / Department head.
 - **Deliberation Summary:** Review of grant funding lines and part-time personnel allocations. The presenter requested an adjustment to cut line item 4102 in half (reducing part-time allocation from \$22,440 to \$11,220), planning to return in six months for the remaining appropriation as grant installments are received.
 - **Action & Vote Disposition:** Motion to approve with the requested salary/line-item reduction passed via roll call vote [00:43:31](#).
- **00:44:04 Drug-Free Communities (DFC) Grant & Project Income**
 - **Sponsor / Presenter:** Community Corrections / Grant administrators.
 - **Deliberation Summary:** Review of DFC grant project income lines and Community Corrections positions. Clarification was provided that line items reflected no net increase from the previous year following adjustments to grant approvals.
 - **Action & Vote Disposition:** Approved by roll call vote [00:45:12](#).
- **00:46:18 Prior Year Encumbrances**
 - **Sponsor / Presenter:** Auditor’s Office / Donna.

Officials confirmed that any borrowed funds must be legally repaid to the Rainy Day fund by the end of the calendar year.
 - **Action & Vote Disposition:** Approved by roll call vote [00:51:43](#).
