 - **Board Response (Mr. Rogers):** Clarified that the only agreements with Madison County agencies are ALS intercept agreements (such as with Chesterfield and potentially Richland Township), where local paramedics meet incoming transport vehicles en route to hospitals. He noted that Delaware County does not have response responsibilities inside Madison County, though local ambulances do transport Delaware County residents to Anderson hospitals or specific regional medical facilities upon resident request.

- **Adjournment:** 00:11:21 A motion to recess/adjourn was made, seconded, and approved by voice vote ("all in favor say aye").
