Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

Municipal Meeting & Briefing Summary Report

1. Pre-Hearing & Committee Work Sessions

This section is omitted as the transcript represents an emergency briefing rather than a formal municipal board meeting.

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** 00:00:10 Official briefing of the Delaware County Emergency Operations Center (EOC), conducted in coordination with the Delaware County Health Department.
- **Date:** Tuesday, March 17, 2020.
- **Presiding Officer / Presenter:** Jason Rogers, Delaware County Emergency Management Director.
- **Attendance:** Not formally roll-called; conducted as an agency briefing.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** None recorded.
- **Approval of Minutes:** None recorded.

4. Substantive Business & Board Action

Note: This session took the form of an emergency operations briefing detailing pandemic response measures, operational adjustments, and public health guidance rather than formal legislative or board actions.

- **Item Identifier & Title:** 00:00:30 Delaware County Emergency Operations Center Activation & COVID-19 Status Update
 - **Sponsor / Presenter:** Jason Rogers, Delaware County Emergency Management Director.
 - **Deliberation Summary:**
 - The EOC is closed to all public access and activated in response to the COVID-19 pandemic.
 - Coordination is ongoing with the Indiana Department of Homeland Security and the Indiana State Department of Health.
 - Statewide stats stand at 30 confirmed cases, 2 deaths, and the state's first confirmed juvenile case. No confirmed cases are reported in Delaware County at this time.
 - The State of Indiana requested personal protective equipment (PPE) from the federal Strategic National Stockpile (SNS) for front-line healthcare workers; status of the request is pending.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational briefing; no formal board vote taken.
- **Item Identifier & Title:** 00:01:51 Healthcare Operations, Testing Priorities, and Visitation Restrictions
 - **Sponsor / Presenter:** Jason Rogers, Delaware County Emergency Management Director.
 - **Deliberation Summary:**
 - All elective medical procedures should be postponed to conserve PPE and preserve hospital bed capacity.
 - Nursing homes, extended care facilities, and medical treatment facilities must immediately halt all visitation except for end-of-life circumstances to protect high-risk populations.
 - Testing protocols from the CDC and State Department of Health are strictly restricted to high-risk and high-probability patients to prevent shortages caused by "worried well" demand. There is currently no cure or medicine for COVID-19.
 - Residents experiencing symptoms (cough, fever, shortness of breath) should self-monitor temperatures twice daily for 14 days, self-isolate if ill, and utilize virtual clinics instead of calling 911.
 - **Item-Specific Public Input:** None.

- **Action & Vote Disposition:** Informational briefing; no formal board vote taken.
- **Item Identifier & Title:** 00:04:49 Supply Chain Continuity, Food Distribution, and Blood Donations
 - **Sponsor / Presenter:** Jason Rogers, Delaware County Emergency Management Director.
 - **Deliberation Summary:**
 - The State of Indiana suspended specific Commercial Driver's License (CDL) rules to ensure grocery and supply lines remain uninterrupted. Officials emphasized that supply lines are intact and urged the public to stop panic buying.
 - The Emergency Management Agency is collaborating with Second Harvest Food Bank to establish public food distribution points, with details anticipated by Friday's briefing.
 - Due to severe statewide shortages, healthy individuals are strongly urged to donate blood via local donation centers or www.redcrossblood.org.
 - Addressing circulating rumors, the director confirmed that **no curfew or travel restrictions** are currently in place, emphasizing that voluntary compliance with CDC social distancing guidance can prevent the need for future mandates.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational briefing; no formal board vote taken.

5. Open Public Comment / Citizen Forum

No open public comment period or floor testimony from residents was conducted during this briefing.

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - 00:07:01 The next daily briefing is scheduled for Wednesday afternoon.
 - 00:07:14 Residents are directed to the Delaware County COVID-19 Hub at www.dcema.com for ongoing local government updates.
- **Adjournment:** 00:07:23 The briefing concluded without a formal adjournment motion. Closed captions were provided by the Delaware County GIS Department.
