Municipal Meeting / Public Briefing Summary Report

Date of Record: March 19, 2020

Meeting Subject: Delaware County Emergency Management & State Health Officials COVID-19 Briefing

1. Pre-Meeting Hearings & Committee Work Sessions

This section is omitted as the transcript represents a coordinated public informational briefing rather than a formal municipal legislative meeting or pre-meeting hearing.

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details 00:00:10:** The briefing was convened on March 19, 2020, by Jason Rogers, Delaware County Emergency Management Director, broadcasting from the Emergency Operations Center.
- **Attendance:**
 - **Present (Speakers/Officials):**
 - Jason Rogers (Delaware County Emergency Management Director)
 - James King (Delaware County Commissioner)
 - Susan Morris (Nursing Director and Preparedness Coordinator, Delaware County Health Department)
 - Dr. Chris Box (State Health Commissioner)

- Dr. Michael Kaufman (State EMS Medical Director, Indiana Department of Homeland Security)
 - Dr. Jennifer Sullivan (Secretary, Indiana Family and Social Services Administration)
 - **Absent:** None noted.
 - **Presiding Officer:** Jason Rogers.
-

3. Preliminary & Procedural Business

- **Ceremonial Openings:** None conducted.
 - **Approval of Minutes:** Not applicable.
-

4. Substantive Business & Board Action

The transcript details a multi-agency informational and policy briefing regarding the COVID-19 public health emergency rather than a standard legislative docket of ordinances or resolutions.

- **Item 1: 00:00:10 Delaware County & State COVID-19 Guidance for Healthcare Providers**
 - **Sponsor / Presenter:** Jason Rogers, Emergency Management Director, alongside James King and Susan Morris.
 - **Deliberation Summary:** Officials addressed healthcare providers (facility-based and home caregivers) regarding measures to “flatten the curve.” Special emphasis was placed on high-risk **aerosol-generating procedures** (such as nebulizer treatments, positive pressure ventilation via BiPAP/CPAP, suctioning, endotracheal intubation, and CPR).
 - Providers were instructed to wear N95 masks or higher-level PPE during these procedures.
 - Whenever possible, these procedures should be performed prior to transport and outside of ambulances. If conducted inside an ambulance, the HVAC system must be operational and rear doors kept open when stationary.
 - Facilities were advised to develop protocols with local medical directors to limit aerosol-generating procedures.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational briefing; no formal board vote taken.
- **Item 2: 00:02:18 State Health Commissioner Public Guidelines**
 - **Sponsor / Presenter:** Dr. Chris Box, State Health Commissioner.
 - **Deliberation Summary:** Outlined fundamental hygiene and safety recommendations for the public, including frequent handwashing with soap and water, staying home when ill, covering coughs/sneezes, and protecting vulnerable

populations (individuals over 60 or with underlying health conditions). Residents were directed to [in.gov/coronavirus](https://www.in.gov/coronavirus) for updates.

- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Informational briefing.
- **Item 3: 00:02:53 Statewide Blood Donation Urgency**
 - **Sponsor / Presenter:** Dr. Michael Kaufman, State EMS Medical Director, Indiana Department of Homeland Security.
 - **Deliberation Summary:** Highlighted a severe blood shortage resulting from the cancellation of over 2,700 blood drives and a loss of more than 86,000 blood units due to the public health emergency. Dr. Kaufman reassured the public that blood donation is safe, COVID-19 cannot be transmitted through blood, and collection sites have implemented social distancing protocols. Residents were encouraged to visit [RedCrossBlood.org](https://www.RedCrossBlood.org) or call 1-800-RED-CROSS.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational briefing.
- **Item 4: 00:03:39 Public Health Rationale for Social Distancing & "Flattening the Curve"**
 - **Sponsor / Presenter:** Narrated educational segment featuring public health messaging.
 - **Deliberation Summary:** Explained the mechanics of social distancing and the importance of avoiding public gatherings to prevent spikes in infections that could overwhelm hospital resources.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational briefing.
- **Item 5: 00:04:25 FSSA Policy Update: Medicaid Telemedicine & Telephone Visits**
 - **Sponsor / Presenter:** Dr. Jennifer Sullivan, Secretary of the Indiana Family and Social Services Administration (FSSA).
 - **Deliberation Summary:** Discussed lifestyle disruptions caused by containment strategies (remote work, homeschooling) and announced an immediate policy change for Indiana Medicaid patients. To minimize in-person exposure between patients and healthcare providers, Medicaid will now permit and encourage medical interactions to occur via phone or telemedicine whenever possible.
 - This policy remains active for the duration of Governor Eric Holcomb's declared public health emergency.
 - Exceptions requiring in-person visits include surgeries, radiology, and laboratory services. Members were advised to contact providers in advance.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational briefing / Administrative policy enactment.

5. Open Public Comment / Citizen Forum

The transcript did not include an open public comment period or floor participation by general residents.

6. Administrative Updates & Adjournment

- **Staff / Board Announcements 00:09:51:** Jason Rogers announced that the next interagency briefing is anticipated to occur the following afternoon.
 - **Adjournment:** The transcript concludes following closing remarks regarding collaborative efforts to flatten the curve; no formal motion to adjourn with a specific timestamped clock time was stated on the record.
