Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

1. Pre-Meeting Hearings & Committee Work Sessions

No statutory public hearings or committee sessions were held prior to the regular meeting.

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The meeting of the Muncie Board of Works was called to order on April 22, 2020.
- **Attendance:**
 - **Present:** Ted Baker, Gary Wiese (Note: Presiding officer/Board President also present and leading the meeting).
 - **Absent:** Not specified.
 - **Presiding Officer:** Board President / Chair (unnamed in transcript).

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the recitation of the Pledge of Allegiance.
- **Approval of Minutes:**
 - **April 8, 2020 Minutes:** Approved by Voice Vote, with a correction noted regarding motion-making and seconding responsibilities after member Jerry joined late.
 - **April 15, 2020 Minutes:** Approved by Voice Vote.

4. Substantive Business & Board Action

- **00:02:30 Claims Register Approval**
 - **Sponsor / Presenter:** Trent (Controller's Office / Financial Staff) and Linda.
 - **Deliberation Summary:** Staff highlighted several items on the claims list. EMS department expenses were incorrectly routed to the fire department within the Center Township fund due to user permissions; staff is working to transfer them to the proper accounts. Additionally, 2019 park department expenses for chemicals (Bomb and More for Conley Pool) were discovered after calling the vendor this spring for pool work and finding unpaid invoices. Staff noted that prior-year invoices routinely surface due to timing and transitional issues from the prior administration, totaling roughly \$200,000 in the general fund for past-year expenses. Board members emphasized the need to scrutinize these invoices to ensure services/products were delivered. A \$64,300 bill under Board of Works covers third-party issuance costs for refunding a park bond, which will save the city at least \$100,000 over the bond's remaining life. Board members also inquired about legal fees paid to Beasley Gilkenson (\$100,000 budgeted annually for general counsel, with litigation billed separately).
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:13:02 Change Order 2: Wheeling Avenue Project**
 - **Sponsor / Presenter:** Brian Hopp, City Engineer.
 - **Deliberation Summary:** The change order addresses a subgrade cement content adjustment from an assumed 4% to 5% based on geotech and construction inspection testing. The change order amounts to \$23,073.12, modifying the original contract amount from \$4.249 million to \$4.295 million (a cumulative change of approximately \$46,000 or just over 1% of the original value).
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:15:40 Community Crossings Matching Grant Contract & Notice**
 - **Sponsor / Presenter:** Brian Hopp, City Engineer.
 - **Deliberation Summary:** Formalizes the INDOT Community Crossings matching grant awarded to the city. INDOT is providing \$703,598.80 (representing 50% of the estimated construction budget). Funded in part through Community Development monies due to street department availability, with a second phase application planned for the remaining allocation.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
- **00:18:01 Salt Storage Contract with J. Crew Landscape Inc.**
 - **Sponsor / Presenter:** Brian Hopp, City Engineer, alongside street department staff.

- **Deliberation Summary:** The city is contractually obligated to take ownership of 750 tons of salt under its state contract (falling 750 tons shy of the lower 20% usage threshold, with city storage facilities fully capped). Rather than paying INDOT \$15 per ton per month to store it (totaling roughly \$52,000), the city partnered with local vendor J. Crew Landscape Inc. to store 750 tons. Payment to J. Crew will consist of 75 tons of salt (valued around \$9,000), resulting in estimated savings of \$40,000 to \$50,000 for the street department.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
-

5. Open Public Comment / Citizen Forum

No formal open public comment period or public speakers from the general public participated during this portion of the meeting. (Board members did discuss communication protocols and how citizens can submit agenda items or questions via email to the City Engineer/Controller or via the mayor's office phone line).

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - City Engineer Brian Hopp provided contact information for public inquiries and agenda items: Phone (765-747-4853, extension 9 for the mayor's office) and Email (bhopp@cityofmuncie.com).
 - The board noted that upcoming meetings will continue on a weekly schedule.
 - **Adjournment:** Adjourned by Voice Vote to meet the following week at the same time.
