  - **Sponsor / Presenter:** Board of Commissioners and County Auditor (Ed).
  - **Deliberation Summary:** The board discussed a pending claims docket totaling \$881,872.58, which included a payroll component and an overarching credit card bill of \$25,848.76. Substantial debate arose regarding county credit card usage and compliance with the local credit card ordinance. The Auditor reported that approximately 62% of sampled April credit card claims were non-compliant with the ordinance (lacking proper documentation, description detail, or adherence to allowable spending parameters), though total spending has significantly normalized and slowed down since questions were initially raised.

To address the systemic non-compliance without halting essential county operations immediately, the board established a firm deadline of **June 15th** (the second meeting in June). Department heads are instructed to work with the Auditor's office to correct account structures and ensure ordinance compliance. If compliance issues remain unresolved by June 15th, the board intends to move to suspend all county credit cards, while establishing alternative purchase-order procedures and localized vendor setups for everyday and emergency operations.

- **Item-Specific Public Input:** None recorded.
  - **Action & Vote Disposition:** Passed 2-1 (Exact Roll Call: Commissioner Brand <U+2013> No; Commissioner Henry <U+2013> Yes; Commissioner Reagan <U+2013> Yes). [00:16:38](#)
