Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

Municipal Meeting Summary Report

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Presiding officer opened the meeting of the Board of Sanitary Commissioners on May 13, 2026.
- **Attendance:** All Sanitary District Commissioners were present.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the recitation of the Pledge of Allegiance.
- **Approval of Minutes:** The board considered and approved the board minutes from April 15, 2026, by voice vote.
- **Register of Claims:** The board reviewed and approved the register of claims totaling \$1,419,637.23 by voice vote.

4. Substantive Business & Board Action

- **00:04:54 Amendment Number One to Guaranteed Savings Performance Contract with Bowen Engineering**
 - **Sponsor / Presenter:** Presented by the administration/engineering staff.

- **Deliberation Summary:** Staff explained that this amendment allocates tranches of the previously authorized \$140 million guaranteed savings contract toward specific IDEM-required projects. Projects included:
 1. County Road 350 North Sewer Replacement Project (addressing overflows and recent emergency repairs).
 2. Primary clarifier and building demolition (clearing an unused, 26-year-old structure to open plant space).
 3. Jake's Creek lift station upgrade (major lift station moving 700 to 3,000 gallons per minute).
 4. Miscellaneous project allowances of \$375,000 for CSO 37 improvements (bending weir) and minor plant structural/concrete repairs. Staff noted a technical correction identified by counsel: the scope of work refers to this as "Phase 1," but it should properly be designated as "Phase 2" since a prior phase was already approved. Bowen Engineering is a union contractor utilizing local labor halls.
 - **Item-Specific Public Input:** None during this item.
 - **Action & Vote Disposition:** Approved by voice vote with the attorney's correction noting it as Phase 2.
-

5. Open Public Comment / Citizen Forum

- **00:00:42 Rick Yancey** (Newsman, author) addressed the board regarding the upcoming agenda item to renew or amend the contract with general contractor Bowen. He inquired whether public work contractors utilize union labor and local subcontractors.
-

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - **District Administrator Update:** General work continues on Combined Sewer Overflow (CSO) projects required by IDEM.
 - **Engineering Update (Tom Noble):** Provided details on active road closures and storm improvements, including storm water work on Delinda (curb lane shutdown at westbound Delinda and McGalliard), storm rehab prior to paving on Adams Street (between Hackley and Madison), and cleaning of the 72-inch sewer servicing the south and east sides of Muncie starting at 16th and Penn (utilizing in-house bypass pumping and vac trucks).
 - **Touch-A-Truck Event:** Scheduled for the last Friday in June (June 26th) at 301 North High Street, adjacent to City Hall. The free family-friendly event features municipal vehicles, exhibits, free food, ice cream, and participation from police, fire,

public works, and the Muncie Sanitary District (including the Bureau of Water Quality fish tanks).

- **Pool Repair Update:** Recognized Jason Ingram and his team for completing significant repairs to the city pool for approximately \$50,000 (saving the city an estimated \$640,000).
- **Adjournment:** The meeting was officially adjourned by voice vote following a motion and second.
