-

5. Open Public Comment / Citizen Forum

- **00:00:50 Joanna Artizone:**
 - *Topic:* Business property security, trash placement, and neighbor harassment.
 - *Details:* Ms. Artizone stated she owns a beauty studio at the corner of First Street and Kilgore (since 2020). She detailed ongoing severe harassment, death threats, and police involvement regarding neighbors (referencing addresses 1315, 1313, and 1327 West 1st Street), noting she has active protective orders against them. She explained she constructed a wall along First Street to protect her building and shifted her parking and entrance. She requested permission to move her trash collection spot to a designated area away from these individuals, stating that district staff member Jason Donati previously denied her request and that her previous trash cans had been mishandled by workers.
 - *Board Response:* The presiding officer noted that the board typically does not provide immediate responses during public comment, but stated her comments would be taken under advisement and discussed with Jason Donati following the meeting. (Commissioner Overton later added an apology for the harassment and confirmed staff would look into the matter).

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**

- **Engineering Update (00:05:55):** Tom Noll (Director of Engineering) reported that storm water improvements on Delinda are approximately halfway done, causing a lane restriction on Maguyer, though delayed by heavy rain ("chasing water today"). Crews are working on Adams in preparation for paving.
- **Camera Cutter Truck Demo (00:06:20):** Rapid View will bring an iBak camera cutter truck tomorrow starting around 8:00 AM (starting on Daily, moving to West 28th Street in Drum Addition) to demonstrate cutting intruding taps and reinstating a lateral in a main line. The event will be recorded for board review.
- **Flooding/Weather Update (00:07:20):** Heavy rain dropped about 8/10 of an inch in roughly two hours, overrunning the system and generating numerous calls. Conditions are expected to dry up and return to normal, leading into good construction weather.
- **IDEM CSO Compliance Update (00:08:06):** Work at 301 North High Street is largely complete regarding overflow stormwater separation under the IDEM order. Paving (managed by Bowen, subcontracted to EMB) will occur in coming weeks across intersections including Weiser and High, Franklin Street up to Gilbert, High to Gilbert, and Weiser up to Walnut, alongside the new Gateway Park parking lot.
- **Bureau of Water Quality Recognition (00:10:03):** The board recognized Laura, a statewide mollusk expert, and the Bureau of Water Quality for their ongoing work in water quality indicators, macro and microinvertebrate monitoring, grant programs, and long-term control planning, noting the bureau's history as a state-recognized lab winning awards annually for decades.
- **Touch-a-Truck Event (00:11:44):** Scheduled for June 26th, featuring heavy equipment, a shark boat, a crane hanging a flag (operated by Jason), popsicles, free ice cream, swag, and potential displays featuring local public works and emergency services.

- **Adjournment:**

- **Disposition:** A motion to adjourn was made and seconded, and the meeting was **Approved by Voice Vote** (exact adjournment time not explicitly stated on the record).
