Municipal Meeting Summary: Muncie Sanitary District Board

Meeting Date: March 19, 2025

Body: Muncie Sanitary District (MSD) Board

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Presiding officer called the Muncie Sanitary District meeting to order at [00:00:21](#) for March 19, 2025.
- **Attendance:**
 - **Members Present:** Aaron, Stephen, David, and the presiding officer.
 - **Members Absent / Excused:** President Adam Leach (attending training out of town).
 - **Presiding Officer:** Vice President / Presiding Officer (unnamed in transcript).

3. Procedural Business

- **Ceremonial Openings:** The meeting opened with the Pledge of Allegiance ([00:00:27](#)).
- **Approval of Minutes:** The board considered the minutes from the March 5, 2025 meeting. Approved by Voice Vote ([00:01:33](#)).
- **Register of Claims:** Expenditures and claims were reviewed and discussed. Approved by Voice Vote ([00:02:00](#)).

4. Substantive Business & Board Action

- **00:06:26 Professional Service Contract: Lock Mueller Group Incorporated & MSD**
 - **Sponsor / Presenter:** Rick Conrad, District Administrator.
 - **Deliberation Summary:** This contract engages Lock Mueller Group primarily to address the “Kilgore Interceptor,” part of the district’s long-term control plan to address combined sewer overflows (CSOs). The project is a federally mandated, unfunded mandate expected to span roughly 10 years. The anticipated amount for the work is \$4.72 million (this agreement accepts the partnership to work on the plan rather than approving individual payments). Specific designs are anticipated by the end of the year, leaving ample room to explore alternatives such as open digs versus boring.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote (**00:08:35**).
- **00:08:46 Professional Service Contract: American Structure Point Incorporated & MSD**
 - **Sponsor / Presenter:** Rick Conrad, District Administrator.
 - **Deliberation Summary:** Similar to the previous item, this contract engages American Structure Point to specifically address CSOs 23 and 7, working on designs to completely separate and close them under the long-term control plan. Estimated costs are \$1 million for CSO 23 and \$1.5 million for CSO 7, totaling \$2.5 million.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote (**00:09:47**).
- **00:09:59 Professional Service Agreement: Ice Miller LLP & MSD**
 - **Sponsor / Presenter:** Rick Conrad, District Administrator.
 - **Deliberation Summary:** With three engineering firms now under contract for the long-term control plan (totaling roughly \$10 million in estimated work), the district requires bond counsel to help legally and efficiently secure a bond anticipation notice (BAN) to pay for the projects. Ice Miller will serve as bond counsel for this phase.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Passed 4-0 via roll call/recorded vote (**00:11:19**). (*Note: Transcript explicitly records a 4-0 vote tally*).
- **00:11:30 Scope Agreement: Baker Tilly Municipal Advisors & MSD**
 - **Sponsor / Presenter:** Rick Conrad, District Administrator.
 - **Deliberation Summary:** Baker Tilly has assisted the district with financials and rate increases. This scope addition integrates their advisory services with the bond council and engineering firms to ensure the district can efficiently pay off the bonds. Compensation is based on standard hourly rates.
 - **Item-Specific Public Input:** None.

- **Action & Vote Disposition:** Passed 4-0 via roll call/recorded vote (00:12:47). (Note: Transcript explicitly records a 4-0 vote tally).

5. Open Public Comment / Citizen Forum

- No members of the public stepped forward to speak during the initial public comment period (00:00:54).
-

6. Administrative Updates & Adjournment

- **Staff & Board Announcements:**
 - **Facility Update (00:02:24):** District Administrator Rick Conrad reported and commended plant superintendent Jason Ingram and plant maintenance worker Sean Bowon for quickly correcting a dangerous pipe leak at the pollution control facility over the weekend, averting a major environmental emergency.
 - **Security Deposit Update (00:03:09):** Beginning April 1st, a \$135 security deposit will be required for all new connections to protect the district against outstanding bills due to late or non-payment by customers who move out. The deposit is refunded upon disconnection or applied to final payments.
 - **Levy Tieback Project (00:03:43):** Awaiting final approval from the Army Corps of Engineers, construction on the tieback levy (protecting roughly 800 buildings and homes) is anticipated to begin in April.
 - **Stormwater Training (00:04:20):** Annual "good housekeeping" stormwater training was conducted earlier in the week by Courtney Pruitt and Laura Boley for department heads, with plans to expand it annually to all employees.
 - **Shred Your Files Week (00:05:16):** Scheduled for April 21st through April 25th at the sanitation building (701 East Centennial Avenue) from 8:00 a.m. to 1:00 p.m., allowing the public to drop off documents for secure recycling and shredding.
 - **Financial Budget Acknowledgment (00:13:50):** The board president acknowledged Dena and Tim for establishing a clearer budget framework for laypeople to understand.
 - **Adjournment:** The meeting was adjourned by voice vote (00:14:53).
