- **Attendance:** Board members present included Commissioner Brown, Commissioner Henry, and Commissioner Reagan. (Specific roll call names were indistinctly recorded on the transcript audio, but three members actively participated and voted).

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the recitation of the Pledge of Allegiance led by the presiding officer.
- **Approval of Minutes:** [00:02:53](#) The meeting minutes from July 6th were presented as previously distributed. **Action & Disposition:** Approved by Voice Vote.

- **Agenda Additions: 00:03:21** The presiding officer introduced an agenda addition under new business to introduce new stormwater rates.
-

4. Substantive Business & Board Action

Old Business

- **00:03:59 Stoney Creek Drive — DNR Permit & Issue Status**
 - **Presenter:** County staff / Board
 - **Deliberation Summary:** The contractor has ordered gabion baskets, which were expected to be delivered imminently, putting the project on track for completion before the next meeting. Staff noted the property owner requested a one-to-two-day advance notice prior to work due to dogs on the property near the Randolph County line.
 - **Action & Disposition:** Maintained under old business for final follow-up.
- **00:04:34 Ken Drive — Easement & Work Progress**
 - **Presenter:** Project staff / Ashton Land Surveyors
 - **Deliberation Summary:** Ashton Land Surveyors performed a survey the previous week, and staff are awaiting official easement paperwork. The proposed project utilizes an 8-inch tile spanning approximately 250 to 300 feet. The board confirmed plans to acquire a wider construction easement and a narrower permanent maintenance easement (approx. 20 feet wide).
 - **Action & Disposition:** Maintained under old business.
- **00:06:05 Crypto Mining Compliance in Park One — Landscaping and Drainage Status**
 - **Presenter:** Courtney (Staff)
 - **Deliberation Summary:** Staff inspected the site on July 21 and observed growth from recent seeding, which would benefit from upcoming weekend rain. Temporary check dams are working, though the sediment basin requires minor cleanout due to standing water. The property is being properly maintained and mowed.
 - **Action & Disposition:** Removed from the agenda.
- **00:06:57 Foundry Road / Cowan Road — Status of Stormwater Improvements**
 - **Presenter:** Staff
 - **Deliberation Summary:** Trash remains a minor issue, but cleanup efforts are underway as the first building pushes toward opening. The parking lot and drives have been paved, which will reduce carryoff onto Cowan Road. The local trail remains blocked by construction activity but is expected to clear as landscaping and sidewalk work progresses.
 - **Action & Disposition:** Retained on the agenda due to ongoing issues.
- **00:08:20 Log Jams on White River and County Road 900 West — DNR Permit & Work Progress**

- **Presenter:** Dean (County Engineer) & Mr. Walters (Town of Daleville representative)
- **Deliberation Summary:** Permits are in place. The county engineer secured two quotes for log jam removal alone: \$42,500 (JJC) and \$43,600 (Butler Masonry). Daleville representatives expressed a desire to coordinate log jam removal alongside reconstructing a public canoe launch at Shellenbarger Park, noting economic development benefits for sport fishing and tourism. Discussion focused on project windows expiring around November 1st.
- **Action & Disposition:**
 1. **00:13:34** Approved the lowest bid of \$42,500 from JJC for log jam removal, funded via an EDIT project line for economic development, by Voice Vote.
 2. **00:15:36** Approved allowing the Town of Daleville to utilize the quotes obtained by the county engineer on behalf of the Stormwater Board. Approved by Voice Vote.
- **00:15:56 County Road 700 West — Drainage Matter**
 - **Presenter:** Mr. Green & Board
 - **Deliberation Summary:** Staff met with interested parties (including Mr. Green and neighbors) and agreed on a plan involving riprap installation and the removal of problematic concrete. Work was scheduled for completion before the next meeting.
 - **Action & Disposition:** Removed from the agenda with a brief photo update requested for the next meeting.
- **00:17:08 DeSoto Drainage Issues and Replacement**
 - **Presenter:** Dean (County Engineer)
 - **Deliberation Summary:** Materials for catch basins and grates are currently on order, and the contractor is ready to begin work on Wood Street and surrounding back portions to bring drainage up to working condition.
 - **Action & Disposition:** Retained on the agenda for future updates.
- **00:23:09 4008 Sandpiper Court**
 - **Deliberation Summary:** Skipped due to staff member Tommy being out on an emergency.
 - **Action & Disposition:** Maintained under old business.
- **00:23:29 Old Albany Drainage Issues (10301 East County Road 500 North / Ed Carroll Property)**
 - **Deliberation Summary:** Follow-up on previous complaints regarding standing water and an elevated tile installed roughly 20 years ago. Staff noted the area requires ditching work.
 - **Action & Disposition:** Maintained under old business for future scheduling by the highway department.

New Business

- **00:18:13 Ordinance 2026-001: Amendment to Ordinance 2024-001 (Stormwater Services, Inspections, and Rates)**
 - **Presenter:** Board / Legal Counsel
 - **Deliberation Summary:** The board discussed introducing an ordinance amendment regarding costs and inspections. After consulting legal counsel regarding the distinction between a direct rate hike (which mandates a formal public hearing) and commissioning a cost-of-service financial study (e.g., via Baker Tilly), the board shifted direction to incorporate a cost-of-service study. This study will incorporate long-term project lists and coordinate feedback with the drainage board regarding non-legal drain elements.
 - **Action & Disposition:** Approved introduction of Ordinance 2026-001 with the inclusion of a cost-of-service study by Voice Vote.
- **00:28:28 Joint Meetings of the Drainage Board**
 - **Deliberation Summary:** The board addressed whether a formal joint meeting with the Drainage Board was necessary. Finding no immediate issues, the board agreed to move this topic to old business to evaluate on an as-needed basis during each meeting.
 - **Action & Disposition:** Moved to old business for ongoing review.
- **00:29:11 Claims and Financial Approval**
 - **Presenter:** Commissioner Reagan / Commissioner Henry
 - **Deliberation Summary:** Commissioner Henry presented payment totals for July 9th and July 23rd, amounting to \$31,840.21. Notable line items included log jam partnerships with the Muncie Sanitary District (\$18,970 and \$6,700), legal fees, and open ditch repairs in Cowan by Cooley Construction (\$5,600).
 - **Action & Disposition:** Approved claims totaling \$31,840.21 by Voice Vote.

5. Open Public Comment / Citizen Forum

(Note: No general public comment speakers addressed the board during the open citizen forum period near the conclusion of the meeting, though public input was recorded earlier from municipal partners such as Mr. Walters during specific agenda items).

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - **MS4 Audits:** **00:15:13** Courtney announced two upcoming audits: a post-construction audit on August 25, and a general stormwater permit audit scheduled for November.
 - **Raindrop Run:** **00:25:52** Courtney announced the community education event, the Raindrop Run, will be held on Saturday, August 29th, at 9:00 a.m. at Westside Park

along the Greenway. Four sponsors are covering costs for child participants, and 11 children are currently registered.

- **Next Meeting Date:** 00:30:29 The next regular meeting is scheduled for Tuesday, September 8, 2026, due to the Monday holiday.
- **Adjournment:** 00:30:46 **Action & Disposition:** Approved by Voice Vote, officially adjourning the meeting (with a note clarifying meeting time procedures).
