4. Administrative & Staff Updates

- [00:16:01](#) **Jason's Operations & Collections Report:**
 - Collections are performing well; delinquent amounts on the cutoff list dropped from \$427,376 last month to **\$139,361** in July (with only 3 properties remaining on the cutoff list).
 - CD interest rate continues at 4%.
 - Received 4 inches of rain in July with zero overflow situations.
 - Utilizing remaining funds from the Wharton project (~\$60,000 remaining in the improvement fund), the district completed electrical H-frame meter base upgrades on one station today, with a contractor estimate of ~\$2,500 per station across the remaining 19 stations (\$47,500 total) to replace aging wood frames.
 - Lift station PMs are underway and will conclude by the end of the week.
- [00:18:50](#) **Danielle's Legal Update:**
 - **Watson / Richie Matter:** Correspondence was sent to Watson's attorney stating the district will no longer expend resources on monthly follow-ups regarding private infrastructure disputes until parties resolve their easement/dedication responsibilities.
 - **MSD Arbitration:** Arbitration is scheduled for August 18. Counsel received a late email from MSD's attorney today containing a tentative settlement agreement and a revised addendum. Because of the tight turnaround, a **Special Meeting** was scheduled for **Wednesday, August 12, 2026, at 3:00 p.m.** in the conference room to review and approve the final arbitration terms.
- [00:27:13](#) **Ashley's Administrative Report:**
 - Focus over the past month has been on editing and designing the strategic plan, including finalizing cover photo selections (pipe graphic chosen by the board). Drafts will be sent to the board for review ahead of a future approval vote.
- [00:29:11](#) **Engineering Update (Rob / Commonwealth):**

- **Westdale Project:** Full steam ahead. Met with the school superintendent; the school board authorized design and easement work next Wednesday night. While the project missed the fundable range for SRF construction financing by a few points, guidance was provided to resubmit next March to secure construction financing next spring. Design will be handled via a contract with the school, aiming for "shovel-ready" status by Q1 2028 (July).
 - The project involves building a large lift station at Route 28 and County Road 600 (sized for future growth), abandoning and properly closing the school's failing private wastewater treatment plant, and routing flow through the town of Gaston as the certified treatment provider.
-

5. Open Public Comment / Citizen Forum
