Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

1. Pre-Meeting Hearings & Committee Work Sessions

- **Session Type & Topic:** 00:00:03 Emergency briefing regarding the current flooding emergency affecting Delaware County and the city of Muncie, hosted by Delaware County Emergency Management.
- **Summary of Discussion:** Corey Kessick, Director of Delaware County Emergency Management, provided an official update on the flooding situation. Key points included:
 - **River Status:** The White River was reported at a major flood stage of 17 feet, with an anticipated crest of 18.9 feet on the afternoon of August 13, 2026. The Mississinewa River crested at 1:00 a.m. that morning and was slowly receding.
 - **Weather Forecast:** A 30% chance of scattered showers and thunderstorms was forecasted after 5:00 p.m., with an 80% chance of showers and thunderstorms expected before 4:00 a.m. that night, some potentially producing heavy rainfall.
 - **Evacuation Guidance:** Residents living in floodplain areas, low-lying areas, or whose homes were being affected by flooding were strongly advised to evacuate immediately and move to safer ground.
 - **Resources & Information:** Residents unsure if they reside in a flood hazard area were directed to check delawarecounty.in.gov/flood. Information regarding available shelters for displaced individuals was posted on delawarecounty.in.gov and the Delaware County Emergency Management Facebook page.

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The transcript records an emergency briefing presented by the Director of Delaware County Emergency Management on August 13, 2026, at 10:00 a.m.
 - **Attendance:**
 - **Present (Speaker):** Corey Kessick, Director of Delaware County Emergency Management.
 - **Absent / Other Members:** Not applicable (this transcript reflects a public emergency briefing rather than a formal board assembly roll call).
-

3. Preliminary & Procedural Business

- *Not applicable (the provided transcript does not contain ceremonial openings, roll calls, or approval of prior meeting minutes).*
-

4. Substantive Business & Board Action

- *Not applicable (the provided transcript consists exclusively of an emergency briefing and contains no formal board ordinances, resolutions, contracts, or voting items).*
-

5. Open Public Comment / Citizen Forum

- *Not applicable (no open public comment period or resident speaker turns were included in the transcript).*
-

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:** Public safety reminders and resource links were provided by Emergency Management, directing citizens to check official county websites and social media channels for ongoing flood updates and shelter locations.
 - **Adjournment:** The transcript concludes following the emergency safety announcements without a formal adjournment time or motion.
-
