Target Category	mcs

Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

1. Pre-Meeting Hearings & Committee Work Sessions

- **Session Type & Topic:** Community Engagement Council Parent Information Session [00:00:03](#) focused on software access for parents, specifically detailing the use of PowerSchool and Schoology.
- **Summary of Discussion:** Leanne and district officials introduced a tutorial session developed at the suggestion of the community engagement council. Instructional Technology Coach Steve Spradlin led a comprehensive walkthrough demonstrating how parents can access, set up, and navigate both PowerSchool (the student information system) and Schoology (the learning management system) to monitor student grades, attendance, assignments, and school announcements.

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Virtual parent information session hosted by Muncie Schools representatives (including Leanne, Tony, Dr. K, and IT Coach Steve Spradlin).
- **Attendance:**
 - **Present (Speakers/Hosts):** Leanne, Steve Spradlin (Instructional Technology Coach), Dr. K, Tony, Mr. Klotz, and Amy Ryder.
 - **Absent:** Not explicitly stated.
 - **Presiding Officer:** Leanne / Dr. K.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** None noted.
 - **Approval of Minutes:** None noted.
-

4. Substantive Business & Board Action

- **Item 1: 00:01:37 Parent Software Access: PowerSchool Setup and Navigation**
 - **Sponsor / Presenter:** Steve Spradlin, Instructional Technology Coach.
 - **Deliberation Summary:** Explained that PowerSchool acts as the central student information system (SIS) hub for registration, daily attendance, official grades, transcripts, and report cards. Detailed the step-by-step account creation process at muncie.powerschool.com using a school-provided access ID and password. Demonstrated how parents can view current grades and attendance, print grade reports, check account/lunch balances, view block schedules, and configure automated email notifications or summary reports.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational presentation; no formal board action required.
 - **Item 2: 00:16:04 Parent Software Access: Schoology Setup and Navigation**
 - **Sponsor / Presenter:** Steve Spradlin, Instructional Technology Coach.
 - **Deliberation Summary:** Explained that Schoology serves as the learning management system (LMS) or digital classroom website where assignments, quizzes, discussions, rubrics, and teacher feedback are hosted. Reviewed the setup process at schoolology.com using a teacher-provided parent access code. Demonstrated how parents can view a read-only student perspective of upcoming and overdue work, building announcements, individual course folders, and assignment grades. Recommended sitting down directly with students as a “virtual open house” strategy.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational presentation; no formal board action required.
-

5. Open Public Comment / Citizen Forum

- *No open public comment period or public citizen forum was held during this informational session.*
-

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - District officials reminded attendees that technical support is available via support@muncieschools.org or mcs.instructional.coach@muncieschools.org, as well as through building secretaries.
 - It was announced that a recording of this tutorial session will be posted on the district website (muncieschools.org) by the end of the week under the students and parents / Schoology tab for future review.
- **Adjournment:** The virtual session concluded informally following closing remarks from Dr. K and Tony [00:34:35](#).
