4. Substantive Business & Board Action

00:03:07 Presentation: Muncie Area Career Center (MAC) & Career and Technical Education (CTE)

- **Sponsor / Presenter:** Mr. Beasley, Director of Muncie Area Career Center.
- **Deliberation Summary:**
 - MAC hosts 14 CTE programs serving juniors and seniors from 12 area high schools, with 440 student applications received for the 2022<U+2013>2023 school year. Most programs are at full capacity based on current staffing, though a few slots remain in Digital Design and Fire & Rescue.
 - Financial assistance is available to remove student barriers (covering tools, clothing, TB tests, and internship/work-based learning fees).
 - Programs align with the Indiana Department of Education's Next Level Programs of Study (NLPS), allowing students to earn "CTE Concentrator" status (checking off graduation pathway requirements) by completing two advanced courses with a C average or better.
 - 12 out of 14 MAC programs offer college credit through dual-credit/enrollment agreements with Ivy Tech, Vincennes, and Purdue University. Students also earn industry-recognized credentials (e.g., CNA, AWS welding certifications, NCCER, Indiana Certified County Jail Officer).
 - Highlighted hands-on learning, ongoing apprenticeships/internships (including paid manufacturing internships with Purdue pathways), and upcoming expansion plans such as a standalone EMT program, a new IT pathway, and an expanded advanced manufacturing pathway.
- **Action & Vote Disposition:** Information presentation only; no formal board action required.

00:39:24 Elementary Mathematics Textbook Adoption (K-5)

- **Sponsor / Presenter:** Dr. Bell, Director of Elementary Education.
- **Deliberation Summary:**
 - A committee consisting of K-5 teachers, administrators, and parent volunteers met over half a dozen times to review four major textbook vendors and a supplemental

- company using a detailed rubric and state standard alignment.
- Consulted surrounding school districts and IDOE data on experiences with curriculum options.
- Recommended adopting **"Ready Math"** (Curriculum Associates) for a 5-to-6-year adoption cycle starting in the 2022<U+2013>2023 school year. The package includes student e-books, teacher toolboxes, and aligned digital assessments (i-Ready), with physical manipulatives sourced via partnerships with "Hand2Mind."
- **Action & Vote Disposition:** Approved by Voice Vote.

00:48:00 Secondary Mathematics Textbook Adoption (Grades 6<U+2013>12)

- **Sponsor / Presenter:** Administrative staff / PDS liaison Dr. Andrew Gatza.
- **Deliberation Summary:**
 - Followed a similar rigorous review process beginning in December, including attendance at a textbook caravan and teacher evaluations on early release days.
 - Recommended adopting **"Reveal Math"** (McGraw-Hill) for grades 6 through Algebra II. Higher-level courses (Pre-Calculus, Quantitative Reasoning, Calculus, AP Statistics, AP Calculus) will retain their current resources.
 - Key features include seamless integration with Schoology and PowerSchool, embedded digital manipulatives (Desmos), and automated differentiated learning pathways for student remediation or enrichment.
- **Action & Vote Disposition:** Approved by Voice Vote.

5. Open Public Comment / Citizen Forum

- No members of the public requested to speak during the open public comment period.

6. Administrative Updates & Adjournment

Staff & Board Announcements

- **Staff Introductions:** Heidi White was introduced and welcomed as the new Director of Elementary Education [00:37:45](#).
