00:04:00 2025 Demolition Bids, Awards, and Contract Approvals

- **Sponsor / Presenter:** Courtney Walker, Building Commissioner's Office.
- **Deliberation Summary:** Courtney Walker presented the tallied bids for 2025 demolition projects, recommending the lowest qualified bids. Several properties were pulled from the award list prior to voting:
 - *2523 South Maker:* Pulled due to a separate garage lot and redevelopment/land bank issues.
 - *1320 East Centennial:* Pulled because the owner already hired a contractor to demolish the structure.
 - *719 West Charles & 1401 South Madison:* Pulled because Community Development will re-bid them due to special demolition and fill requirements.

- *302 North Hodson*: Pulled because the property owner resolved the issues.

For the awarded contracts, Shrer Solutions, Stein Builders, and Yarberry received various demolition contracts. Board members noted that three properties (1051 South Point, 1421 East Maine, and 425 West Charles) were not awarded to the lowest bidder (Newsome). Walker explained that Newsome's bids were submitted past the August 8th deadline (received Monday, August 11th) and thus were disqualified.

The board discussed a procedural recommendation to screen out late bids prior to packets being distributed so board members do not review invalid bids. Legal counsel stipulated that the awarded contracts comply with the city's ethics ordinance.

- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Motion to approve the awarded demolition contracts as listed (with ethics ordinance compliance stipulations) **Approved by Voice Vote (00:11:59)**.
