Delaware County Regional Wastewater District Meeting Summary

Meeting Date: January [2026]

Report Produced By: Expert Civic Analyst

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Presiding officer Bill Walters called the meeting of the Delaware County Regional Wastewater to order.
- **Attendance:**
 - **Members Present:** Bill Walters (President), Ray Maynard (Vice President), Josh Talby (Treasurer), Joe Boyce (Secretary), Pete Olsson, Ron Hensley, and newly appointed member Jason Brooks.
 - **Presiding Officer:** Bill Walters, President.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The board welcomed new mayoral appointee Jason Brooks, who will serve a four-year term.
 - **Election of Officers:** The board held annual elections, retaining Bill Walters as President, Ray Maynard as Vice President, Josh Talby as Treasurer, and appointing Joe Boyce as Secretary (following a humorous procedural clarification). Passed by Voice Vote.
 - **Approval of Minutes:** The minutes of the previous meeting held on December 5, 2025, were reviewed and approved as distributed via email. Passed by Voice Vote.
-

4. Substantive Business & Board Action

- **00:04:03 Financial Reports & Claims Approval**
 - **Presenter / Sponsor:** Pete Olsson / District Staff.
 - **Deliberation Summary:** Pete Olsson reviewed financial claims from November 30 through December 31, 2025, totaling \$192,66. Account balances as of January 5, 2026, include the improvement fund balance of \$2,413,384, a December Daleville TIFF transfer of \$9,411, and an Indiana Bond Bank transfer of \$18,663. The district currently holds five \$300,000 CD investments at Old National Bank yielding between 3.5% and 3.9%.
 - **Action & Vote Disposition:** Motion to approve claims of \$192,66. Approved by Voice Vote.
- **00:06:03 Ordinance 2025-03: Hardship Shut-Off Procedures (Old Business)**
 - **Presenter / Sponsor:** Danielle (District Legal Counsel) / District Staff.
 - **Deliberation Summary:** Counsel reviewed the proposed ordinance to allow payment arrangements and adjustments outside normal collection timelines under specific extenuating medical circumstances, provided the customer is current on their bill and a cap-off key is already in place. This gives staff discretion in hardship scenarios rather than strictly adhering to the 60-day cutoff.
 - **Action & Vote Disposition:** Motion to adopt Ordinance 2025-03. Approved by Voice Vote.
- **00:08:31 Declaration of Surplus Equipment**
 - **Presenter / Sponsor:** District Staff.
 - **Deliberation Summary:** Staff requested to declare an old snowplow as surplus equipment. When purchasing a new truck in November, dealerships did not want the plow as a trade-in, and parts/brackets are no longer manufactured for it. Staff intends to list it on approved online surplus auction platforms with a starting bid of \$100.
 - **Action & Vote Disposition:** Motion to declare the snowplow surplus. Approved by Voice Vote.

- **00:10:17 Commonwealth Invoices for Tamac Sewer Rehab**
 - **Presenter / Sponsor:** District Staff & Rob (Commonwealth Engineers).
 - **Deliberation Summary:** Two as-needed engineering invoices from Commonwealth were presented for the finishing work on the Tamac sewer rehab and lining project (\$13,760.06 and \$5,000 for invoice #1161, arriving together due to the holiday schedule). Staff noted that project closeout checklist items were completed on Monday, and the district is holding just over \$20,000 in retainage pending final closeout in February.
 - **Action & Vote Disposition:** Motion to approve both invoices. Approved by Voice Vote.
 - **00:14:09 Discussion: SRRI Lien Assist Program & Administrative Fee Ordinance**
 - **Presenter / Sponsor:** Danielle, Legal Counsel.
 - **Deliberation Summary:** Counsel introduced a master service agreement and addendum regarding the "Lean Assist" program by SRRI, which universalizes property lien tracking and relieves staff workload. The program charges a \$5 vendor fee per property lean. To offset this cost and administrative burden without impacting general ratepayers, counsel proposed a companion local ordinance establishing a district lien administrative fee. Following board discussion regarding county practices and administrative overhead, members agreed on a total fee of \$25 (\$5 to the vendor, \$20 retained by the district into a dedicated administrative fund). No final vote was taken; this was introduced for review ahead of formal action next month.
 - **Action & Vote Disposition:** Informational presentation and consensus discussion; formal ordinance adoption deferred to next month.
 - **00:37:23 Task Order for Daleville Interceptor Inspection**
 - **Presenter / Sponsor:** Rob (Commonwealth Engineers) / District Staff.
 - **Deliberation Summary:** Commonwealth presented an hourly engineering proposal totaling \$34,949 to physically inspect roughly 1.5 miles (about 2,600 feet, 26 structures) of the Daleville Interceptor line running from Back Street west under the interstate toward Chesterfield. Staff and engineers emphasized that clearing brush/trees and accessing the wet, swampy river corridor requires specialized contractors, environmental permitting considerations (DNR/floodway), and urgent attention as it is the primary mainline feeding Chesterfield.
 - **Action & Vote Disposition:** Motion by Pete Olsson, seconded by Ray Maynard, to approve a not-to-exceed amount of \$35,000 for the task order, with authorization granted to Board President Bill Walters to sign the task order. Approved by Voice Vote.
-

5. Open Public Comment / Citizen Forum

- **05:51:56 Dan Flanigan**
 - Spoke as the newly appointed council liaison to the district board, offering opening remarks and humorous commiseration regarding his appointment.
-

6. Administrative Updates & Adjournment

- **Staff & Board Announcements:**
 - Ashley provided updates on website traffic, newsletter open rates, and plans to take updated board headshots and group photos at the next meeting.
 - A long-term planning committee was formally established, consisting of Pete Olsson, Jason Brooks, and Josh Talby, tasked with updating the district's comprehensive multi-year plan (1, 3, and 5-year outlook).
 - District staff and engineers noted that a facility tour and drive-around for board members (including new member Jason Brooks) will be targeted for April.
 - **Adjournment:** Hearing no further business, a motion for adjournment was made and seconded. **Approved by Voice Vote.**
