4. Substantive Business & Board Action

00:10:53 New Business: 3301 West 31st Street (Property Owner: April Jones)

- **Sponsor / Presenter:** Tom Fauci, Building Commissioner.
- **Deliberation Summary:** Commissioner Fauci presented an update on a long-standing vacant property where original owners are deceased and the current owner, April Jones (purchased via tax sale), has allowed the structure to remain boarded up past the 90-day limit without valid rehabilitation progress. Multiple issues were cited, including work vehicles, a dump truck, imported debris, and unpermitted open burning.
- **Item-Specific Public Input:**
 - **00:43:38 Walter Jones** (resident/husband of owner, speaking from 3610 South Post Road) stated they are preparing to leave on a trip and requested a longer timeline. He claimed they stopped working because health board notices said "do not enter."
 - Staff clarified that "do not enter" signs were posted due to structural safety, but the owners were never barred from obtaining proper building/remodeling permits to legally enter and rehab the structure.
- **Action & Vote Disposition:** Motion made and seconded to issue a 30-day notice for the owner to either pull a demolition permit or a building/remodeling permit and actively commence work; otherwise, the building commissioner will secure bids for demolition. Passed Unanimously by Roll Call Vote.

00:20:21 New Business: 2700 West Skylark Drive (Property Owner: Jacob Jordan)

- **Sponsor / Presenter:** Tom Fauci, Building Commissioner.
- **Deliberation Summary:** The structure suffered a fire approximately nine months prior and has since become unsecured, filled with raccoons, and a target for neighborhood complaints. The owner has been unresponsive, mail is returned/full, and the property is tied up with insurance/Airbnb usage complications.
- **Item-Specific Public Input:**
 - **00:23:37 Linda Flander** (2606 West Fairview Lane) testified that the insurance company halted action upon discovering the home was operated as an unlisted Airbnb, and confirmed the house is now infested with raccoons.
 - **00:25:35 Andy Turner** (2613 West Fairview Lane) urged the board to issue an immediate demolition order due to total unresponsiveness from the owner.
 - **00:28:38 Mr. Clay** (2100 West Skylark Drive) noted there are furniture company liens and vehicle identification numbers on site that might assist in locating responsible parties.

- **00:29:34 Tom Terry** (3004 West Allen Court, neighbor) reported heavy raccoon activity spreading across the neighborhood, unmanaged junk cars, and lawn maintenance performed independently by family members.
 - **Action & Vote Disposition:** Motion to issue a notice of demolition (with posting on the property, publication in the newspaper, and a 30-day compliance window to ensure legal sufficiency). Approved by Voice Vote / Roll Call affirmation.
-

00:32:14 New Business: 801 South Lane castor Road [Lanecaster Road] (Property Owner: Cynthia or Amanda Wing)

- **Sponsor / Presenter:** Tom Fauci, Building Commissioner.
 - **Deliberation Summary:** Property is currently tax-eligible (\$1,431.35 in arrears). Inspectors found the interior floor-to-ceiling packed with storage boxes rather than occupied as a residence, and the structure is structurally deteriorating.
 - **Item-Specific Public Input:** None recorded for this specific item.
 - **Action & Vote Disposition:** Motion to issue a 30-day notice to respond or face demolition bidding. Approved by Voice Vote / Roll Call affirmation.
-

00:35:26 New Business: 5201 East Centennial Avenue

- **Sponsor / Presenter:** Tom Fauci, Building Commissioner.
 - **Deliberation Summary:** Property is tax-eligible (\$1,290.62 in arrears), vacant for 5 to 7 years, completely obscured by overgrowth, and wide open. Past severe storm damage caused a broken water line that flooded neighboring properties and compromised neighboring foundations.
 - **Item-Specific Public Input:**
 - **00:36:35 Carla Hoover** (neighbor at 5205 East Centennial) described long-standing hoarding conditions, open-air public changing by former occupants, structural water damage to her own front porch, and concerns regarding displaced rodents following demolition.
 - **00:38:36 Steve Bilby** (property owner at 1505, 1509, and 1513) confirmed chronic hoarding, neighborhood upkeep efforts, and an interested adjacent buyer who has been unable to contact the absentee owners.
 - **Action & Vote Disposition:** Motion to issue a 30-day notice for owner response/demolition. Approved by Voice Vote / Roll Call affirmation.
-

00:52:46 Old Business: 11601 East County Road 600 South (Selma)

- **Sponsor / Presenter:** Tom Fauci, Building Commissioner.

- **Deliberation Summary:** The board previously authorized bids to demolish this large structure in March. The low bidder (\$9,600) contacted staff demanding extra funds for fuel, claiming miscommunications regarding whether he could bury or burn material on site (which staff explicitly prohibited). The building commissioner recommended moving away from the low bidder due to non-compliance and unprofessionalism, and contacting the second-place bidder (\$17,000).
- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Motion to contact the original low bidder (Sam Shroyer) to verify intent, but authorizing the building commissioner to pivot to the second-place bidder (\$17,000) if the primary contractor refuses terms, keeping total costs below the second-bid threshold in taxpayers' best interest. Passed Unanimously by Roll Call Vote [01:01:18](#).

[00:43:05 & 01:01:39 - 01:09:25] Old Business Updates: Additional Properties

- **5738 South Burlington Drive (Phillip Cooper):** [01:06:12](#) The court issued an injunction to vacate. While the owner claimed to be cleaning up, neighbors reported continued accumulation of junk. Staff will verify status.

- **5200 South Merlington Drive (Former Nursing Home):** [01:09:25](#) Demolished at a cost of \$48,000<U+2013>\$50,000. Corporation is administratively dissolved and the owner is deceased with no known insurance policy; costs are unrecoverable.

 - **Future Meetings:** 01:16:36 The scheduling of the next meeting is uncertain; an update session may be held in November or December.
