Delaware County Redevelopment Commission Meeting Summary

Meeting Date: April 9, 2026

Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Presiding Officer Ms. Green called the regular meeting of the Delaware County Redevelopment Commission to order at [00:00:03](#).
- **Attendance:**
 - **Present:** Mr. Stone, Mr. Keesling, Commissioner Brand, Commissioner Henry, Mr. Adams, Mr. Wegerly, and Ms. Green.
 - **Absent:** None noted.
 - **Presiding Officer:** Ms. Green (President).

Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the Pledge of Allegiance [00:00:07](#).
- **Approval of Minutes:** The minutes of the March 12, 2026 meeting were approved by roll call vote [00:00:47](#).

Substantive Business & Board Action

- **01:03 Living Green Farms Project Disbursement Request**
 - **Sponsor / Presenter:** Gina (Staff)
 - **Deliberation Summary:** Staff presented two bond disbursement requests related to the Living Green Farms project: one from 2024 for \$809,000 (covering concrete work completed by K.E. Flatwork Inc. of Eldridge, Iowa) and a more recent request for \$1,292,270.81. Staff confirmed with bond counsel (Heather James of Ice Miller) that projects do not strictly need to be fully completed prior to drawing on the bond unless explicitly stated. Tom Vouch visited the site earlier in the week and verified progress (such as concrete floors and ordered dock levelers). The bond is paid by building owner Mr. Esep, and 70% of incremental TIF financing collected goes toward the repayment.
 - **Action & Vote Disposition:** Approved by roll call vote (**00:06:38**).
- **00:06:53 Baker Tilly TIF Management Agreement**
 - **Sponsor / Presenter:** Staff
 - **Deliberation Summary:** Annual continuation of the TIF management agreement with Baker Tilly. The agreement covers the April 15 TIF management report, pass-through notification letters, TIF neutralization work, December 1st TIF spending plan preparation, and annual meeting support. The commission approves the hourly rate table rather than a specific lump sum total.
 - **Action & Vote Disposition:** Approved by roll call vote (**00:08:14**). (*Note: Motion was recorded in transcript as "Big D Utility", but discussion context refers to Baker Tilly contract*).
- **00:08:30 Resolution No. 005: 911 Radio Replacement**
 - **Sponsor / Presenter:** Staff / Legal Counsel Danielle
 - **Deliberation Summary:** Ratification of a previously approved \$720,850.01 expenditure for 911 radio replacements, spread across multiple TIF allocation areas with the addition of the Delville TIF. Board members discussed adding legal language to allow any remaining annual funds from the budget to roll back into the TIF or reimburse the TIF for previous advances.
 - **Action & Vote Disposition:** Approved with amendments by roll call vote (**00:10:30**).
- **00:10:42 Resolution No. 2026-006: Westville Community School Corporation Sewer Plant**
 - **Sponsor / Presenter:** Staff / Legal Counsel Danielle
 - **Deliberation Summary:** Ratification of a \$500,000 pledge for the Westville School sewer project, spread across multiple TIF districts (Morrison Road, Magna, New Berwyn, Midwest Metal, PRL, Industrial Center, Fountain Square, and Fuson Shell). The commissioners previously wrote a letter of support to U.S. Senator Todd Young, and the commission received a letter of gratitude from the Westville superintendent.
 - **Action & Vote Disposition:** Approved by roll call vote (**00:11:33**).

- **00:11:46 Resolution No. 2026-007: ECI RPD / Merchant McIntyre Contract**
 - **Sponsor / Presenter:** Staff / Legal Counsel Danielle
 - **Deliberation Summary:** Formalizing the annual lobbying/consulting contract with Merchant McIntyre in the amount of \$80,000 (matching the previous year's cost). Legal counsel noted a new internal policy to issue formal resolutions alongside all monetary contracts to maintain a clear resolution book tracking TIF obligations. The cost is allocated across Morrison Road, Magna, PRL, Delville 2, and Midwest allocation areas.
 - **Action & Vote Disposition:** Approved by roll call vote (**00:13:10**).
- **00:13:34 2026 Bids for Mowing DCRC Properties (Tabled Business 9A)**
 - **Sponsor / Presenter:** Legal Counsel Danielle / Staff
 - **Deliberation Summary:** Removed from the table. Two bids were received: Sun Valley Landscape (\$32,958 total across three parcels based on 20 estimated cuts) and J Crew (structured around 3 mows per parcel with significantly higher per-mow costs). Legal counsel explained a minor procedural fix regarding a late-submitted unsealed bid envelope from Sun Valley which was corrected before the deadline. The board discussed enforcing a 12-inch vegetation height rule rather than mandating a strict count of 20 cuts.
 - **Action & Vote Disposition:** Approved Sun Valley's bid by roll call vote, conditioned on adhering to the 12-inch maintenance rule (**00:21:36**).
- **00:18:53 L&J Manufacturing Solutions Economic Development Agreement (Tabled Business 9B)**
 - **Sponsor / Presenter:** Legal Counsel Danielle
 - **Deliberation Summary:** Brought back following previous month's discussions. Terms have been updated in coordination with the business's counsel: 11 new employees by the end of 2026, with an additional 21 (totaling 22 new employees) by the end of 2027. The clawback default period remains 5 years, but the window for the business to repay the pledge if moving or closing was extended from 90 days to 1 year.
 - **Action & Vote Disposition:** Approved by roll call vote (**00:24:16**).
- **00:24:33 2025 DLGF Report**
 - **Sponsor / Presenter:** Staff / Baker Tilly
 - **Deliberation Summary:** Presentation of the statutory Department of Local Government Finance (DLGF) annual report due April 15. The report was prepared with Baker Tilly and the county auditor's office and will be uploaded to Gateway. It is also scheduled to be presented to the County Council on April 23.
 - **Action & Vote Disposition:** No board action required; report acknowledged.
- **00:24:49 Gaston Sidewalk Land Acquisition**
 - **Sponsor / Presenter:** Staff / Legal Counsel Danielle
 - **Deliberation Summary:** A property owner for Parcel No. 1 of the Gaston Sidewalk project submitted a counteroffer requesting an additional \$4,500, primarily driven

by tree replacement costs (\$7,600 estimated tree replacement minus the original \$3,100 offer). Legal counsel advised paying the increase to avoid costly litigation and condemnation proceedings, noting funds exist within the engineering estimate. Legal counsel Dean will take a more direct role moving forward.

- **Action & Vote Disposition:** Approved by roll call vote (00:28:42).
 - **00:29:08 Invoices & Claims Approval**
 - **Sponsor / Presenter:** Staff / Board Members
 - **Deliberation Summary:** Reviewed routine invoices, including a \$912.32 charge from Delaware County IT for a dedicated county-owned laptop for Gina to allow access to secure county utilities (VIP and cybersecurity requirements). Invoices for QAW (Bridge 51) and United Consulting (Bell Road stormwater) will be paid out of ARP infrastructure funds; remaining invoices paid from TIFs. Board members requested that future hardware/IT supply purchases come before the board for approval prior to invoice receipt. DCRC property spring taxes/fees will be finalized next month.
 - **Action & Vote Disposition:** Approved by roll call vote (00:31:06).
-

Open Public Comment / Citizen Forum

- **00:32:51 Yenser (Resident):**
 - Expressed frustration that live stream audio microphones are sometimes turned off for public participants.
 - Voiced cautious optimism regarding the vertical food processor project coming to fruition, but questioned whether guaranteed job creation numbers (over 100 jobs) will be met given the multi-million dollar TIF investment.
 - Emphasized that TIF funds should be prioritized for direct job creation rather than routine government operational bills, noting marginal local population growth.
-

Administrative Updates & Adjournment

- **Staff & Board Announcements:**
 - **DCRC Email Addresses:** Work is underway with the commissioners to establish dedicated @delawarecounty.in.gov (or similar DCRC) email addresses for board members Mr. Wegerly, Ms. Green, and Mr. Keesling 00:31:50.
 - **Calvin Sidewalk Project (Phase Two):** An update on Phase Two (south side of 600 South) and ongoing eminent domain litigation will be provided at the next meeting 00:34:42.
 - **Pass-Through Determination Letters:** Reminded the body that pass-through determination letters are due by June 15 00:35:07.

- **Albany Farm Land Lease:** Discussed a 5.88-acre county-owned parcel near Albany farmed by Mr. Mills (\$160/acre rate). Staff will review market comparables and report back.
 - **Ag Bio Park TIF Pass-Through:** Board members noted a potential communication gap regarding pass-through funds from the Ag Bio Park TIF to local taxing units (Union Township, Eaton Town, and Hamilton Eaton Township) dating back to 2019/2020, which local officials claimed at a recent town hall they were not receiving.
 - **Adjournment:** The meeting was adjourned by unanimous voice vote [00:41:33](#).
