Notice: This report is provided by the [Muncie Policy Memo](#) as a public service. This summary is generated automatically using artificial intelligence from public video transcripts, both of which are prone to error. The report is intended to provide an overview of meeting business and an aid to accessing detailed information from the video recording. When accuracy is critical, please refer to the official video recording or approved minutes.

Municipal Meeting Summary: Board of Sanitary Commissioners

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The presiding officer called to order the regular meeting of the Board of Sanitary Commissioners on **April 1, 2026**.
- **Attendance:**
 - **Present:** Board members explicitly identified or participating in votes include Mr. Clark, Mr. Selby, and Mr. Smith (along with the presiding officer).
 - **Absent:** Mr. Tim Overton (noted with an excused absence).
 - **Presiding Officer:** The meeting was led by the Board President.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the recitation of the Pledge of Allegiance.
- **Approval of Minutes:** **00:09:11** The Board considered the minutes from the March 18, 2026, meeting. A motion to approve was made and seconded. The minutes were **Approved by Voice Vote** with three “aye” votes and one abstention from the presiding officer (who was absent for that prior meeting).

4. Substantive Business & Board Action

- **00:09:46 Register of Claims**
 - **Sponsor / Presenter:** Board President / Administration.
 - **Deliberation Summary:** The Board reviewed the register of claims totaling **\$873,534.62**. The President highlighted a specific expenditure on page 14 of \$276,091.31 paid to Lock Mueller Group for the long-term control Kilgore interceptor replacement project, noting that prices reflect the large scale of the interceptor.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** **Approved by Voice Vote** (unanimous among participating members).
 - **00:11:38 Resolution 2026-02: Increasing Fees for Certain Sewer Line Inspections**
 - **Sponsor / Presenter:** Board President and Mr. Noble.
 - **Deliberation Summary:** The resolution increases the fee for the municipal sanitary district's (MSD) lateral line affidavit inspection process from \$200 to \$250. The President explained that MSD customers can request this inspection if they experience problems; if the issue is found on the MSD's side of the line, the fee is refunded as a bill credit. Mr. Noble added that the process requires an outside cleanout.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** **Approved by Voice Vote** (unanimous).
-

5. Open Public Comment / Citizen Forum

- **00:00:58 Tammy Harris** (Morningside Neighborhood Association) spoke regarding drainage issues on Harvard Street. She expressed concern that homeowners are being held responsible for maintaining a two-sided, three-block culvert/ditch system that she asserts was installed by the city, and noted that local residents cannot financially afford to fix the problem themselves.
 - **00:02:44 Rick Yenser** (Newsman and author) spoke in support of Tammy Harris's comments regarding Harvard Street. He argued that property owners already pay drainage taxes and stormwater fees, and emphasized that the government holds the ultimate responsibility for drainage and stormwater relief.
 - **00:04:24 Jim Shelton** (Rental property owner) raised concerns regarding utility deposit and billing procedures. He criticized a recently passed deposit policy, stating it creates large initial bills for tenants and leaves landlords vulnerable to unpaid balances and tenant "shenanigans." He also recounted an issue where an unpaid bill from six years ago and an active tenant deposit were improperly attached to his final bill when selling a property.
-

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**

- **District Administrator Update:** High Street will remain closed for at least three more weeks due to long-term control plan work adjacent to City Hall. Wiser and Franklin streets remain open with operational signals. An engineering department closure on Memorial Drive is scheduled for the coming weeks, with details to be posted on social media once finalized.
- **Board Acknowledgments:** The Board President recognized the water pollution control facility staff<U+2014>specifically Sean, Dan, Jason, and Tom's team<U+2014>for their expertise and work in making the TUI pool operational and rebuilding pumps.
- **Adjournment:** The meeting was **Approved by Voice Vote** to adjourn following a motion and second **00:14:21**.
