 - **Presenter:** Treasurer / Staff
 - **Deliberation Summary:** Presented claims from August 30, 2025, through September 25, 2025, totaling \$184,884.74. Reported account balances as of September 25, 2025: Cash operating balance of \$420,000; Improvement fund balance of \$2,739,952.27; Daleville TIP transfer of \$9,411; Indiana Bond Bank transfer of \$18,663; and five CDs valued at \$300,000 each (upcoming maturity on November 2, 2025).
 - **Action & Vote Disposition:** Approved by voice vote **00:01:49**.
- **00:01:56 Health, Vision, and Dental Insurance Renewals**
 - **Presenter:** Jason
 - **Deliberation Summary:** Staff reported that the previous insurance provider (IU Health/Anthem) denied a 30-day rollover and proposed 30% to 35% rate increases with significantly higher deductibles and out-of-pocket maximums. To mitigate costs, staff investigated an alternative small-business model through Clark Insurance Group utilizing "Sauna" (health insurance provider with a \$7,500 individual deductible) paired with "SIG" (third-party administrator that buys down the deductible to \$2,500, with 100% reimbursement up to a point, then 20% coinsurance to \$3,850). Employees submit EOBs to SIG and receive direct reimbursement checks. The combined premium remains lower than 2023<U+2013>2024 costs. Dental and vision will remain with Kansas City Life (KFC), reflecting only a 3% increase on dental (\$10 monthly premium change) and no increase for vision.
 - **Action & Vote Disposition:** Approved by voice vote for both health and dental/vision insurance packages **00:13:10**.
- **00:13:17 Liability Insurance Renewal**
 - **Presenter:** Jason
 - **Deliberation Summary:** Staff presented liability insurance renewal numbers through Grundy, covering lift stations, workmen's comp, and auto. Last year's cost was \$34,091. The renewal came in at \$37,747 (an 8% increase), driven by updated schedules on lift stations, two new generators, and the Overlook Drive extension. Staff recommended approval.
 - **Action & Vote Disposition:** Approved by voice vote **00:15:47**.
- **00:16:03 Bracking Pay Applications (Rorton Area Improvements)**
 - **Presenter:** Jason
 - **Deliberation Summary:** Presented two pay applications from Bracking for the Rorton area improvements project: \$37,509.17 (punch list items) and \$26,129.24 (final retainage, closing out Bracking's side of the project into the warranty period). Note was made of remaining bond funds (\$122,199) to be evaluated or returned.

- **Action & Vote Disposition:** Approved by voice vote [00:17:34](#).
 - [00:18:14](#) **Commonwealth Invoices & KMAC Sewer Inspections**
 - **Presenter:** Jason / Rob
 - **Deliberation Summary:** Presented three invoices: Commonwealth working sewer improvements for \$4,349.91 (monthly meetings and KMAC portion), and two KMAC sewer inspection invoices for \$5,299.88 and \$19,135.80. Staff noted that PPI completed the in-lining project except for a few internal seals and manholes.
 - **Action & Vote Disposition:** Approved by voice vote [00:19:14](#).
 - [00:32:46](#) **Certificate of Deposit (CD) Rollover Policy**
 - **Presenter:** Treasurer / Jason
 - **Deliberation Summary:** Staff noted that recent CDs yielded right around the 4% threshold and recommended continuing the practice of rolling over maturing CDs as long as yields remain above 3.5%.
 - **Action & Vote Disposition:** Approved by voice vote [00:33:30](#).

4. Open Public Comment / Citizen Forum

- [00:34:35](#) **Ronald Collins** (Resident address: 405 West Heath Drive, Muncie; speaking on behalf of his brother, David Collins, residing at 1401 East State Road 28 within the district)
 - **Key Concerns:** Addressed the board regarding billing conservation for his brother, who has been hospitalized and in rehabilitation since July following health emergencies. In an effort to conserve funds for medical and rehab costs, the family suspended trash, TV, phone, reduced cellular plans, shut off the furnace, unplugged water softeners, and shut off the well valve. However, the \$75 monthly sewer bill remains active while the home is unoccupied. Requested either a voluntary temporary shut-off or a billing suspension during the medical absence.
 - **Board Response & Action:** Board members expressed sympathy and recognized the unique hardship. The board voted to authorize a temporary shut-off and pause billing for the property while directing attorney Danielle to draft a formal hardship policy for medical circumstances to be reviewed at the November meeting [00:48:15](#).
-

5. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - **Collections Update:** Tire collection tracking at \$4,731.45 (up from \$2,429.02 last month); door notices and locates initiated.
 - **MSD & Westdale School Updates:** Ongoing coordination for meeting dates with MSD representatives. Recent positive discussions held with the new superintendent

of Westdale Schools regarding moving forward with a general obligation bond and infrastructure project.

- **Budget Meetings:** Anticipated to begin late October or November once health insurance and treatment rates from neighboring municipalities (Yorktown, Chesterfield) are finalized.
- **Adjournment:** The meeting was motioned, seconded, and officially adjourned by voice vote 00:08:34.
