 - **Deliberation Summary:** Ken Hudson presented a \$4.5 million redevelopment project by the Whitley Community Council (a 501(c)(3) nonprofit) located at 120 E. Centennial (corner of MLK and Centennial). The project features a multi-resource hub including Open Door Health Center, Delaware County Health Department, Ted Baker, Ball State University, and Pathstone Corporation, alongside youth programming, a food pantry, and a commercial kitchen. Having raised \$4 million, Hudson requested a multi-year partnership/investment of \$300,000 (\$100,000 annually for three years) to close the funding gap and cover unexpected roof cost increases (\$85,000). Board members expressed support for the real need on the east side but raised concerns regarding long-term financial sustainability, the precedent of multiple neighborhood center requests, and advised exhausting city-level municipal opportunities (such as Muncie Redevelopment Commission) first.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Tabled for further evaluation and coordination with Muncie municipal funding streams, approved by roll call vote (00:49:18).
- 00:51:49 **Item 7: Eaton Police K9 Request**

 - **Deliberation Summary:** Mr. Guffy was not present to present the request, which had been postponed from the previous meeting.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Tabled by roll call vote (00:05:09 / 00:52:06).
- 00:52:24 **Item 8: Isaiah 117 House Update**
 - **Sponsor / Presenter:** Kimberly Hall (Support Coordinator) and Tamara Tims (Indiana State Director).
 - **Deliberation Summary:** The presenters provided an update on the Delaware County Isaiah 117 House, a transitional home for children removed prior to foster care placement. Construction is 3-4 weeks ahead of schedule, though utility hookups (Centerpoint Energy and American Water) are currently causing exterior delays. Over 238 children have been served via their giving room. A correction was noted regarding an invoice mix-up; the request was clarified to match the remaining contract balance of \$49,352.26 rather than a higher erroneous amount.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Informational update only; no formal board action required.
- 00:08:07 / 00:10:14 **Invoices & Claims**
 - **Sponsor / Presenter:** Board / Staff.

- **Deliberation Summary:** The board reviewed claims, noting a mathematical correction to the RQAW invoice (adjusted to \$4,961.25, bringing the new total to \$319,836.69 including a 50-cent correction to the original sheet).
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved with amendments by roll call vote (00:10:21).
-

5. Open Public Comment / Citizen Forum

- **01:00:57 Rick Yenser** (Newsman and Author): Addressed the commission regarding the direction of redevelopment funds. He also touched upon property tax relief, renewable energy, and resource demands from data centers.
-

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:** None stated.
 - **Adjournment:** The meeting was officially adjourned by voice vote following a motion and second (00:13:18).
