1. Pre-Hearing & Committee Work Sessions

Omitted (No statutory public hearings or committee sessions were held immediately prior to the regular meeting).

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** Presiding officer called the meeting to order at 9:00 AM, welcoming attendees to the September 19, 2024 Academy/Delaware Development Commission meeting and leading the Pledge of Allegiance.
- **Attendance:** Specific roll call details for individual board members were not explicitly read into the record; however, presiding officers, staff members, and presenters participated throughout the session.

3. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the Pledge of Allegiance.
 - **Approval of Minutes:** The minutes of the August 8, 2024 meeting were approved by voice vote.
-

4. Substantive Business & Board Action

00:01:06 Item 4: Daleville Water/Sewer Bid Openings

- **Sponsor / Presenter:** Staff / Board Presentation.
 - **Deliberation Summary:** Staff opened bids for the Daleville water and sewer project (funded by Ready grant funding, ARRA funding, and the Delaware County Redevelopment Commission) designed to bring utilities to property west of West County Road in Daleville. The project was advanced to prevent a new Quick Trip gas station from placing concrete parking spots over the utility easement before lines are run.
 - **Bids Received:**
 - **Indiana Earth Works** (9922 West 900 South, Losantville): \$677,500.00
 - **Morphic Construction** (1499 North Sherman Drive, Indianapolis)
 - **Evan Yarberry Company** (9940 South 1000 West, Anderson): \$764,117.00
 - **United Construction Services** (347 South Broadway Street, Pendleton): \$799,000.00
 - *(Unidentified fifth bidder / Winchester location): \$477,770.00*
 - **Action & Vote Disposition:** Approved the low bidder pending attorney and engineer review and recommendation, by Voice Vote.
-

00:06:16 Item 5: Highway Department Road Resurfacing Resolution (Resolution 2024)

- **Sponsor / Presenter:** Delaware County Highway Department.
 - **Deliberation Summary:** Resolution covering road resurfacing for Titan 26, Cornbread, Purdue, Proctor 26, Cornbread White Road, 32nd Street, Post, and Willoughby. Total price: \$222,900.73, funded out of the Industrial Center Magna Progress Rail and W funds.
 - **Action & Vote Disposition:** Approved by Voice Vote.
-

00:06:20 Item 6: Daleville TIF Contribution Request

- **Sponsor / Presenter:** Tom Roberts (Daleville Town Board), Adam Johns (Daleville Town Board President), and Steve Rogan (via email).

- **Deliberation Summary:** Daleville representatives requested that excess annual Tax Increment Financing (TIF) funds currently managed by the Delaware County Redevelopment Commission be transferred annually to the Daleville Redevelopment Commission for local management. Proponents highlighted local credentials (CPA, financial planners, MBAs) and past successful management of town projects (splash pad park, new town hall, downtown parcel acquisition/demolition). Staff noted that three mandatory bond and agreement payments must still come out of the TIF district funds first, but additional funds could be put under Daleville's control.
 - **Item-Specific Public Input:**
 - *Tom Roberts* 00:07:31 spoke in favor, emphasizing local project successes and board qualifications.
 - *Adam Johns* 00:09:28 echoed the need to maintain local knowledge bases and grow town infrastructure.
 - *Steve Rogan* (email read into record) 00:10:12 expressed written support for transferring the funds.
 - **Action & Vote Disposition:** Approved by Voice Vote.
-

00:13:02 Item 7: County Road 600 West Intersection Safety Study & Design

- **Sponsor / Presenter:** Richard Zelinsky (American Structure Point).
 - **Deliberation Summary:** The county proposed making improvements at County Road 600 West, specifically addressing an unsafe offset intersection at County Road 400 South that has experienced safety issues, tight curves, sight distance problems, and truck encroachment. The plan involves constructing a roundabout (estimated engineering design cost of \$550,000 over two years, following the INDOT process to secure future federal/state construction funds). Concerns were raised by a board member regarding high total project costs versus low current traffic volume and accident frequency. Letters of support from Yorktown and Daleville officials were entered into the record.
 - **Action & Vote Disposition:** Tabled by Voice Vote (00:24:11).
-

00:24:32 Item 8: Yorktown Jackson Street Drainage Improvements

- **Sponsor / Presenter:** Chase (Town of Yorktown representative).
 - **Deliberation Summary:** Presented a request for a drainage study (\$24,425.00) to address washed-out ditch/mosquito pool issues on the north side of West Jackson Street near 600 West where water fails to direct into south-side storm structures. A supporting letter from Shane Schafer (MAX Station restaurant) was read into the record.
 - **Action & Vote Disposition:** Approved by Voice Vote.
-

00:27:55 Item 9: Stockport Drive Drainage Improvements

- **Sponsor / Presenter:** Staff / County Commissioners.
 - **Deliberation Summary:** Residents of Stockport Drive faced severe deterioration of a drainage structure/bridge replacement pipe (corrugated metal pipe arch, 57"x38"x5") to the point where trash trucks and emergency services refused to cross. MSD agreed to fund half the project; the commission was requested to fund the remaining half (\$7,500 / \$7,000).
 - **Action & Vote Disposition:** Approved by Voice Vote.
-

00:30:59 Item 10: Traffic Safety Intersection Study (County Road 500 South and Fusion Road)

- **Sponsor / Presenter:** Staff.
 - **Deliberation Summary:** Requested up to \$10,000 for an intersection evaluation at CR 500 South and Fusion Road due to several accidents and two fatalities over the past five years alongside increased industrial and commercial growth.
 - **Action & Vote Disposition:** Approved by Voice Vote.
-

00:32:08 Item 11: 3710 North Morris Road Phase 2 Assistance Request

- **Sponsor / Presenter:** Mark Y. (ADM Commercial Properties).
 - **Deliberation Summary:** A buyer was secured for a 2.43-acre site at the northeast intersection of Morris Road. A Phase 1 environmental study indicated controlled recognized environmental conditions (plating facility, high benzene concentrations nearby), triggering a requirement for a Phase 2 study. The buyer requested the county split the Phase 2 study cost (\$6,850 for the 50% county share; \$13,700 total).
 - **Action & Vote Disposition:** Approved by Voice Vote (00:34:00).
-

00:34:08 Financial Business: Invoices & Bond Fees

- **Sponsor / Presenter:** Staff.
 - **Deliberation Summary:** Review and approval of standard general invoices and two Bond and Operating Agreement standard fee invoices.
 - **Action & Vote Disposition:** Approved by Voice Vote.
-

5. Open Public Comment / Citizen Forum

- **00:34:45 Staff Update:** Staff provided an update on the *Lawton Nursery project*, noting a response from Lawton's attorney acknowledging the lack of proper utility easements. The attorney is working with the contractor to secure proper drawings, establish easements, and transfer dedication to the regional wastewater district.

- No additional general public comments were brought forward from the floor.
-

6. Administrative Updates & Adjournment

- **Announcements:** Staff noted ongoing follow-ups regarding utility dedications and environmental studies.
 - **Adjournment:** The meeting was officially adjourned by voice vote (00:36:01).
