5. Open Public Comment / Citizen Forum

- **00:17:11 Sue Arrington** (Westbrook Drive)
 - Spoke in support of utility-scale solar energy and community solar initiatives. Noted that the League of Women Voters previously submitted petitions with 438 signatures supporting solar. Mentioned recent presentations by National Grid

Renewables and the Center for Energy Education, noting an upcoming public meeting on October 24 at The Shrine Club.

- **00:21:06 Susan Kemp** (North Stockport Drive)
 - Inquired about the timeline for the bridge repair/replacement on Stockport Drive, noting utilities have been flagged for a month but no construction equipment is present. Commissioners and staff responded that the project is awaiting right-of-way sign-offs from residents and gas line relocation work. Mentioned a forthcoming Redevelopment Commission resolution to partner with the Muncie Sanitary District for funding.
- **00:24:46 Scott Green** (South side resident / Stockport Drive)
 - Expressed concern regarding right-of-way requests he received earlier in the year, questioning whether he is the property owner holding up the bridge and roadway project and asking for clarity on the priority.
- **00:28:05 Randy Gowan** (108 North County Road 100 West)
 - Spoke in strong opposition to proposed industrial solar projects in Delaware County. Raised concerns regarding visual pollution, noise pollution from inverters, environmental and health risks from lithium battery explosions, destruction of farmland, and long-term land degradation.
- **00:31:45 Greg Kyle** (Resident / impacted area)
 - Addressed previous comments regarding solar energy. Emphasized that while debates are ideological for some, industrial solar placement is intensely personal for residents whose homes and daily lives will be directly impacted.
- **00:33:21 Angie Bragg** (8700 North County Road 25 West)
 - Commented on the royerton area and surrounding population impacts from proposed solar projects. Voiced concerns over potential negative health and environmental impacts despite state-level financial incentives.
