 - **Deliberation Summary:** Requesting a change in zoning from split zoning (II Intense Industrial Zone and AD Airport Development Zone) to the II Intense Industrial Zone for approximately 4.82 acres located in the 60,000 block of North Schaefer Road, Hamilton Township. The strip of land was an old abandoned railway; upon vacation, half went to industrial and half to the airport, creating a split zone.  - **Deliberation Summary:** Presentation of refined language regarding the McKinley Neighborhood Review Committee (MNRC) authority, appeals process, appointment processes, sunset clauses (24-month work commencement expiration), and lot-width provisions. Substantial discussion occurred regarding differing draft versions (handouts vs. emailed drafts) and legal consistency with other city overlays (the Village and White River Canal districts). Legal counsel advised caution regarding last-minute redline comparisons.
